**I**N the year from September, 1950 to June, 1951 confusion and uncertainty prevailed over the country. Men returned to Northern wondering if they would have to leave for armed service, but they were determined to receive an education. Here is what the men and women did in 1950-51.

**OHIO NORTHERN UNIVERSITY**

## THIS WAS OHIO

The Northwestern Ohio Normal School was formally opened on August 14, 1871, in a three-story building where Lehr Memorial now stands. Henry S. Lehr was the founder and president. For many years the school was one of the outstanding private institutions offering professional training to elementary and high school teachers.

On May 19, 1885, the state of Ohio issued a charter to the institution under the name of the Ohio Normal University. In 1898, the Central Ohio (now the Ohio) Conference of the Methodist Church purchased the school from Doctor Lehr and his associates. In 1904, the University was renamed the Ohio Northern University, and in December 1907, the charter was amended.

In 1880, the Department of Civil Engineering was established and when the demand for engineers increased, this department was organized as the College of Engineering with additional departments in electrical and mechanical engineering.

In 1884, the laws of Ohio required that all pharmacists should be registered. To meet the demand for trained and qualified pharmacists the Department of Pharmacy was established.

The College of Law was established in 1885. Not only have its graduates been successful as practitioners but they have also distinguished themselves in public affairs; boasting several members that have become quite well known in politics.

## NORTHERN FROM SEPTEMBER TO JUNE

The College of Liberal Arts was reorganized in 1910 so that it offered a well-balanced curriculum in the field of general cultural training. The college also provided a thorough foundation for all students desiring pre-professional preparation.

Ohio Northern has never boasted a huge enrollment, its peak being 1393 students following the close of World War II. This has made it possible for the administration and student body to create a bond found in few schools. Students and faculty like to think of Ohio Northern as an institution of close friendship and harmony. There are ten fraternities on the campus, eight of which belong to the Interfraternity Council. There is always a keen and sharp display of enthusiasm during any competition among the Greek groups, but they are all friends.

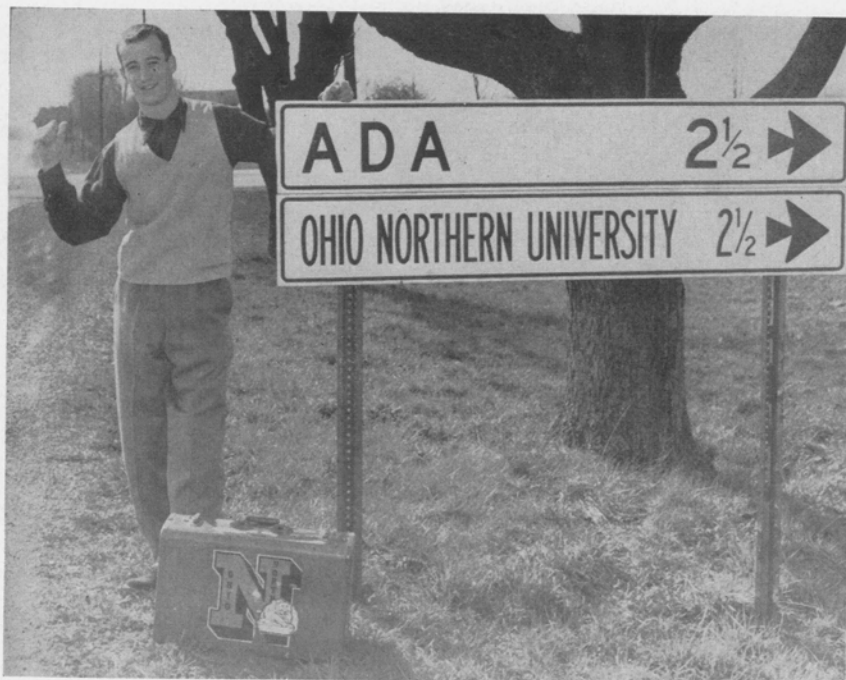

Ohio Northern has as its purpose to prepare the student along his individual line of study, but to do this in a somewhat religious manner and setting. This is probably a leading factor in the close relationship between the administration and student body.

In bringing you another edition of the Northern, we have attempted, through the medium of words and pictures to give you a book that will allow you to recall some highlights of campus life of the year 1950 and 1951.

We see **Returning Students Meeting . . . .**  
**New faces** and the day of registration . . . .  
**and the year began with parties:** the S.C.A. party and All Campus Dance . . . . **Next came the football season:** with the hopes of a good team, **Then . . . . November: Grads Return . . . .** old friends meet and have a good time. To **Review Courts and rallies . . . . Honor the Dean and watch a race . . . .** Kappa Psi wins the pushmobile race for third year. **Later they danced: Crowned a queen.** Dorothy Rodgers was elected homecoming queen. **Then . . . . To the lighter side and music . . . . With Ray Anthony at the I.F.C. Ball.** A huge success and an outstanding dance with an even more famous band. **Culture made its imprint** with an ensemble from the Eastman School of music. **While some leave campus for knowledge . . . .** Pharmics go to Lilly in Indianapolis and Engineers to Lima. **Others stay for work?** Comic books yet!! **February: Centennial of Uncle Tom's Cabin . . . . And makes campus improvement.**

And so goes the story of a year at Ohio Northern University. We sincerely hope that you will enjoy the book and can pick it up five, ten, or twenty years from now and enjoy it just as much as now.

**Heading toward Ohio Northern** is Ed Overmeyer. Ed, like many students, hitch-hiked to school while others arrived in cars, busses and trains.

**Back to school again.** Unpacking of clothes, having dresses and suits pressed were the common sights in Ada the first few days.

**Above Norene DelBene** unpacks her trunk at the girls' dormitory with assistance from Sarah Jo Morse,, as Harriett James watches.

**Pre-school problems** such as registration were faced by the new freshmen. Although some students did not quite seem decided as to what courses they would take, they did handle the job very capably.

## RETURNING STUDENTS **MET** NEW-FACES . . .

On September 4 of this school year, the students began swarming back to the campus of Ohio Northern. Suit cases and trunks lined the walks as the students unloaded their many possessions. After everyone had their clothes unpacked, they were anxious to see who had come back to school, to greet new students, and look around the campus.

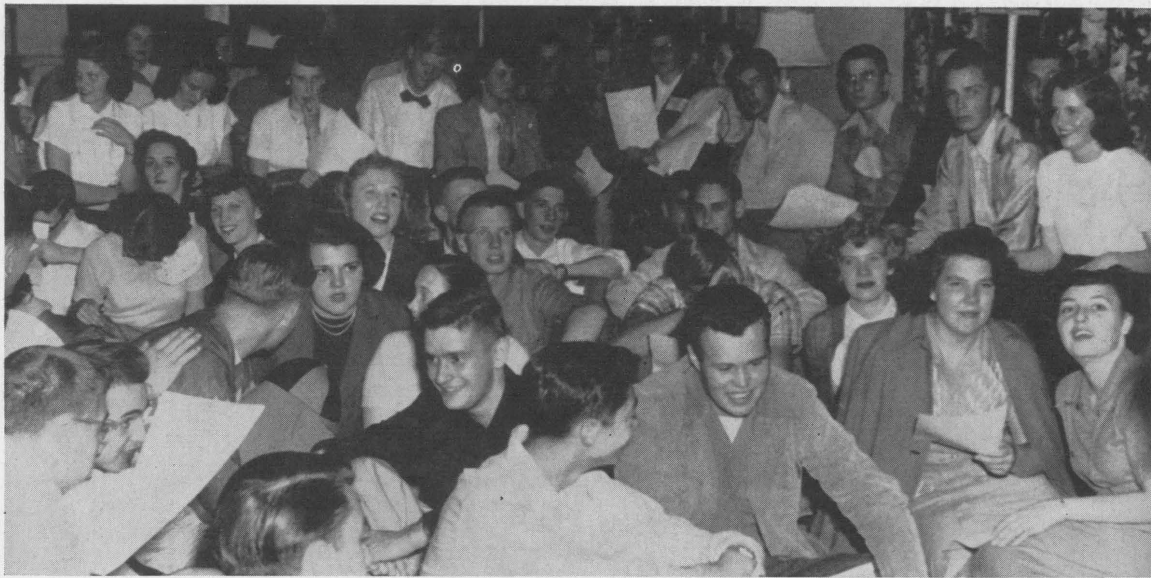

The Brown Library was full of bewildered freshmen and new students. The advisors were hounded with such questions as "What does this mean?" and "What should I write here?" To the young, inexperienced freshman those registration cards seem like a million.

The next day the upperclassmen went through the same process of registering. This was not quite such a complex problem because they could do most of their own registering. The only annoying part was the long stand in the hot sun while waiting in a line which moved too slowly into Brown.

When everyone had their schedule planned, the migration was toward the bookstores. There they purchased their books and other school supplies so that they would be ready to get a good start in their classes on Thursday. Everyone was broke, but nevertheless happy and anxious to begin a new year of college life.

**The inevitable line.** Northern like any other college has its registration line. Here the upperclassmen await their chance to fill out their schedule cards on Wednesday morning.

**Above.** Freshmen and upperclassmen wait for the program to begin at annual Student Christian Association party held in Alumnae Hall.

**Below.** The freshman girls relax in front of The Terrace Hall before school gets underway in earnest and other activities begin.

**President MacIntosh** gives a big smile as he wipes a coke off for the students at the All-Campus Mixer held at Taft Gymnasium. Professor William Bale looks concerned over the project.

## AND THE YEAR BEGAN WITH PARTIES.. .

The Student Council held a picnic for the "frosh" at Memorial Park. This party was one that made the newly oriented freshmen forget the large amount of studying that they would supposedly be doing later in the quarter. At the party the new students feasted on hot dogs, potato chips, and soft drinks. After the feast dancing was held in the shelter house. The music was furnished by phonograph records. Everyone enjoyed the evening very much. Needless to say, there were a few new acquaintances made by everyone who attended.

Friday evening an all-campus dance was held in Taft Gym. Many of the students attended this dance. Cokes and potato chips were sold by the members of the faculty. Everyone enjoyed the dance as was to be expected. The music was again furnished by records.

During the "Freshman Week" of 1950, the new freshmen were treated to several fine and enjoyable parties. On Tuesday evening of the big week all members of the class were admitted free to the movie at the Ada Theater.

Wednesday evening the Student Christian Association held an informal get-together party for the "frosh". There was group singing, led by Dave Sano and then the pastors of the various churches were introduced to the members present. After their talks, refreshments were served.

**Dian Smith** looks puzzled as she has Max Beck explain part of the program to her at the S.A.C. Freshman Party. Carl Tucker is investigating other things.

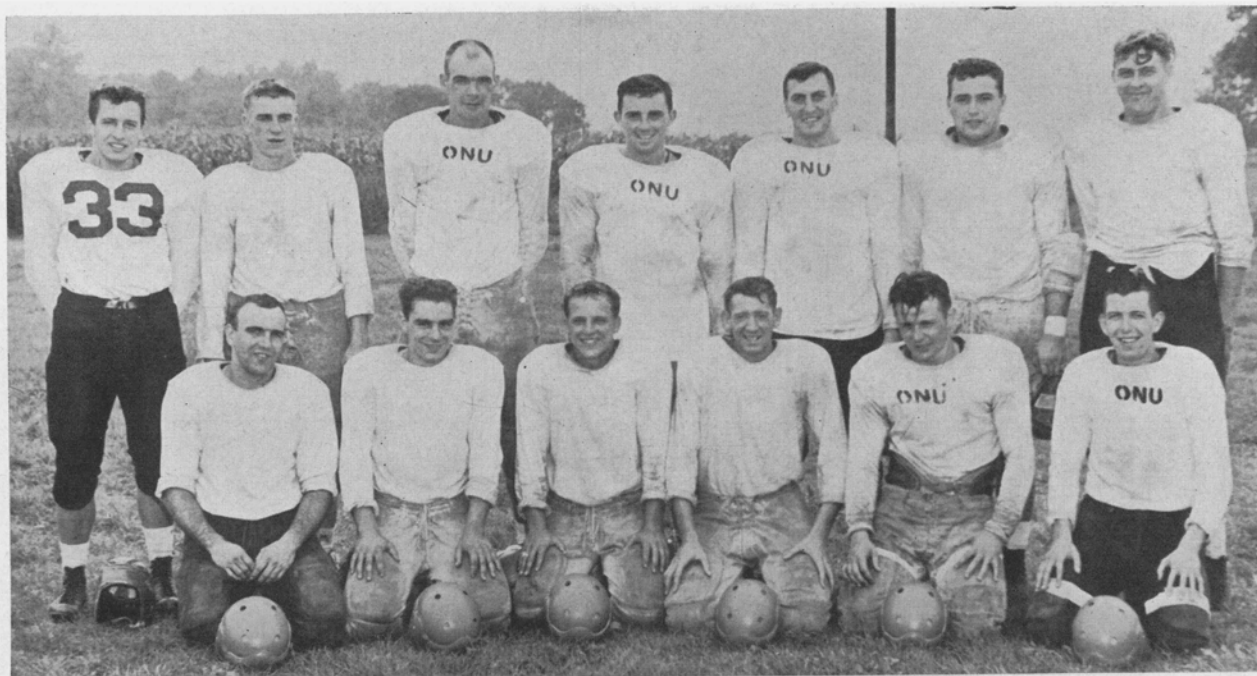

**Refreshment time**—Bob Burget fills up a container with potato chips at Al Sebok assists. In the background are the students, loading up, during the student council picnic at Memorial Park.

**Getting acquainted**—Marilyn Mayer and Joyce DelBene meet Bill Hall and Stanley Brysacz at the S.C.A. Freshman Party.

**Returning lettermen** to the Polar Bear squad—Rear: R. Brickner, J. Decker, J. Stokes, B. Shunkwiler, A. Carrino, R. Irvin, A. Willoughby. Front: J. Davis, E. Baughman, R. Donelson, R. Poole, J. Starr (deceased), W. Arthur.

## NEXT CAME THE FOOTBALL SEASON.

Ohio Northern was fortunate to have several returning lettermen on their football squad to serve as a solid foundation for the team. Besides quarterback Bill Arthur, there were Al Willoughby, Bobby Donelson, Tom Kelton, Al Carrino and Bob Brickner, all seniors. There were juniors Bob Irvin, Jim Starr and Joe Stokes and sophomores Claude Stober, Dick Poole, Bill Shunkwiler, Jack Davis and Jack Decker. All the lettermen played fine ball and were ably assisted by other outstanding players such as Joe Baughman, Don Martindale, Joe Ronsini, Benny Mazarro, and Skip Baughman.

The band was present at every home football game and presented colorful half-time pageantry for each contest.

With the start of this school year came the opening of the new girls' dorm.

Although it is now on a one floor plan, second

floor construction has started and will house most of the girls during the coming school years.

Also a radio studio was constructed on the third floor of Presser Hall where recordings will be made and live broadcasts will eventually originate. Presser Hall also saw the sound conditioning of the auditorium as a gift of Mrs. Jay Taggart. This was a wonderful improvement and the auditorium acoustics are much improved.

On October fifth Ohio Northern was honored by the presence of Governor Frank Lausche and Lt. Gov. George Nye as assembly speakers. The guests were warmly received by the students and friends on the campus.

Two ambitious Northern students opened and operate a restaurant across from the campus. Although both Ted Casement and Russell Bunger are enrolled at Northern they find time to serve excellent food and coffee at the College Inn.

Keen competition—Beauty, personality, and charm were displayed to the student body, in assembly, by the four candidates for homecoming queen. Originality in skits was brought into play by the three sororities and members of the law school backing the independent candidate.

Theta Phi Delta Sorority (top) presented a minstrel show with the candidate, Colleen Polen, being introduced to the audience.

The Phi Chi Sorority (below) presented their candidate, June Ridenour, from a box as a three legged creature. June then gave a tap dance to the tune "Tea for Two."

Tau Kappa Kappa Sorority presented their skit as a scene from the sorority front room. Their candidate, Anne Schmelzer, made her debut from a concealed spot behind the davenport on the stage.

Dorothy Rodgers was introduced to the assembly after a speech by her campaign manager, Paul Haytcher. She appeared in an archway and was presented a bouquet of yellow mums by her escorts.

## THEM.. . . . NOVEMBER: THE GRADS RETURN. . . . .

It was a cold rainy morning as the students began to arise, on November 4th. Nobody needed to take a second look to tell them that the day would not be a nice one. Snow was mixed with rain only to melt when it touched the ground. Yes, this was one day which would not be very enjoyable physically. The day before, at the annual flag pole rush there had been a strong, cold wind. Even that morning the temperature was still falling.

Alumni, friends and parents undaunted by nature began to make their appearance on campus. Main Street by noon was bustling with activity. People were having to park their cars a block away from their destination. The annual Ohio Northern Homecoming was getting started.

The activities for the day were:

9:30—Pushmobile Race.

10:00—Convocation honoring Dean Raabe.

11:00—Alumni Meeting.

Judging the Homecoming decorations.

1:00 p.m.—Parade to the Football Field.

2:00—Ohio Northern vs. Capital Football Game.

6:30—Dinner for Dean Raabe at Kappa Psi House.

8:00—Play "Belvedere" presented at Presser Hall.

Auld Acquaintance Ball at Taft Gym.

Because of the nature of the day the parade was called off and only the game was played. This fact did not deter the alumni from reminiscing of past homecomings.

In the earlier years the program officially began on Friday evening when the flag raising started the eventful occasion. Saturday morning the golf enthusiasts would journey to Kenton where a golf match was held.

Saturday afternoon would find the stands at the football game filled with loyal alumni. Since that time Homecoming has grown and developed in many ways, but there is still sentimental, nostalgic feeling attached to return of the grads.

**Sorority winners.** Theta Phi Delta won the homecoming house decorations with the theme, "Our Bet Is Northern".

**Fraternity winners.** Kappa Psi won top honors again in decorations with a merry-go-round theme.

**Our Homecoming Queen and court** — The court's beauty and poise is pictured here soon after the results of the election were announced. Seated is Queen Dorothy Rodgers, independent candidate. Dorothy is a senior in the college of law. She is from Ada. June Ridenour, Phi

Chi nominee is a junior in the college of pharmacy and is from Vermillion, Ohio. Colleen Polen, Theta Phi Delta representative, is enrolled in the college of pharmacy as a junior. Colleen's home is Canton, Ohio. Anne Schmelzer, candidate of Tau Kappa Kappa, is a senior in liberal arts, and comes from Lima, Ohio.

Whooping it up—Members of the homecoming rally gang file out of the Ada Theater after making a brief exhibition before startled movie-goers. In the foreground is leader Fred Pedrosa waiting to make new formation.

## TO VIEW COURT AND RALLIES e e e e .

Homecoming, 1950, got off to a rousing start with the annual Flagpole Rush held Friday afternoon at the flagpole in back of Taft Gymnasium. The cold weather failed to cool the ardor of the participants as the poor frosh fought vainly to capture the flag. While the spectators shivered and froze, the sophs successfully defended their position, many of them stripped to the waist, voluntarily or otherwise.

Though the weather continued to be cold,

and eventually rain began to fall, high spirits still prevailed. Led by the cheerleaders, a group of students made a round of the sorority and fraternity houses, gradually picking more and more students. Then to the tune of a battered old trombone played by "Pedro" Pedrosa, they marched down Main Street. Going through the Ada Theater they both gained and lost a few loyal supporters. The march ended with a brief rally held just across the railroad tracks.

**Valiant attempt**—The freshmen offer the sophomores considerable fight but fail to overcome the liberal coating of grease and sophomore determination in the annual flag pole rush.

**In Dedication.** The 1951 NORTHERN year-book staff takes pride in dedicating this edition to Dean Emeritus Rudolph H. Raabe. Dean Raabe is known and loved by every student on campus, pharmitic or not. He has been an instructor here since 1910. The Dean can still recall vividly the feud between the engineers and the pharmitics as well as many pranks

which have been played in college.

Dean Raabe received his B.S., Ph.G. and Ph.C. at Ohio Northern University. He received his Doctorate of Pharmacy from the University of Havana. Pictured here is the portrait presented to him at Homecoming. The gentleman at the left is Mr. Harry Holbert, the artist.

On your mark! The pushmobile race was just about under way as the photographers snapped this picture. Left to right are the fraternity representative pushmobiles: Alpha Epsilon Pi, Alpha Sigma Phi, Theta Kappa Phi, Sigma Pi, Kappa Psi, Sigma Phi Epsilon, and Delta Sigma Phi. Note the light specks, which are snowflakes.

## HONOR THE DEAN AND WATCH A RACE

Rain, snow and sleet were the conditions of the weather the day the Pushmobile Race was held. All fraternities and the three sororities participated in the event. The course began at the South end of campus on South Main Street to West University; West University to South Gilbert; South Gilbert to Lima Road; Lima Road to South Main Street; South Main Street to the campus. When the smoke was cleared the results showed that the Kappa Psi's had taken first place in the fraternity division while the Tkk's won in the sorority race. Both winners had won the race for the second year in a row.

Homecoming Day of 1950 could very easily be called Dean Raabe Day. A series of recognitions were planned on that day for Dean Emeritus Raabe.

A special convocation was held in Lehr at 10:30 in the morning. At this meeting a special recognition talk was given by President McIntosh. Also representatives from various student organizations of the university gave short talks.

In the afternoon the Dean was to occupy a special seat in the president's box and to crown the homecoming queen at the half-time festivities. This was cancelled because of the severe condition of the weather.

To end the day's activities the Dean was honored at the Homecoming Dance. Dick Mutz, president of the Student Council, presented him with a gift from the student body as a token of their appreciation.

The formal showing of the portrait of Dean Raabe was shown in Alumni Hall Sunday November 5th. At this showing both the painter and the subject were present.

**Thanks to Everybody.** Homecoming Queen Dorothy Rodgers gives her "thank you" speech, following her crowning, by Dean Raabe, at Taft Gym. This was the third consecutive year in which an Independent candidate was elected queen.

**Well wisher.** Dick Mutz, Student Council president, congratulates Dorothy following her crowning. Dick presented the queen with a portrait, which is shown at lower left.

**A SINGULAR PICTURE** THE HOMECOMING DANCE. There was an estimated 1000 at this annual dance. Music was furnished by Al Cassidy and his orchestra.

## LATER THEY DANCED: CROWNED A QUEEN.

At eight p.m. the doors of Taft Gymnasium were thrown open to the Homecoming people, and the Auld Acquaintance Ball was under way.

People, from all over town, could be seen slipping and sliding towards the gym. By evening the snow had stopped falling, leaving a few inches of the white substance as a reminder that the day had been cold. Even the stars came out to give a Winter atmosphere to a Fall event.

The dance was sponsored by the student council and was open to all students and alumni. Al Cassidy and his orchestra from Cincinnati, Ohio, provided the music for the evening.

The students, especially freshmen, spent many hours decorating both rooms in Taft. White and wine was the color scheme for the dance this year. The dance lasted from 8 o'clock until midnight.

During intermission at the dance, Dean Raabe was honored by the audience and presented a gift from the student body. The Dean in turn crowned Miss Dorothy Rodgers Homecoming Queen of 1950. Then presented to the spectators were her attendants; Colleen Polen, June Ridenour, and Anne Marie Schmelzer.

The dance unofficially closed the 1950 Homecoming Week-end.

December sixth was the date of the fourth annual Choral Cabaret presented by the Chorus-Choir. The big pre-Christmas event was staged in Taft Gym.

The staging had a novel theme based on the North Pole. The main feature was music written and arranged by music students to carry out the theme. The opening fanfare, an exhilarating tune entitled, "Hi, Neighbor" was written and arranged by Max Beck. The choir came to the stage as Beck played his composition on the piano accompanied by David Markle, Jr., on the chimes.

"Sleigh Ride", a choral number based on popular songs of the winter season was arranged by the late Bob Gamble and Marilyn Ferrell. Hazel Hoxter sang a special version of "Sweet Little Jesus Boy".

Tunes for dancing were provided by the orchestra of Mac Finch.

Everyone attending the Choral Cabaret received Kodachrome prints of Whiteface Mountain, N. Y., mystic home of Santa Claus, as souvenirs of the entertaining musicale.

**Background for the Choral Cabaret** was the North Pole with mounds of snow. The scenery was made by the members of the Chorus-Choir.

**Dance time.** The amount of people on the dance floor gives evidence to the number of people at the annual Choral Cabaret.

**Eastman musicians.** Giles Hobin, Edward Doyle and Harry Watts began the concert season with their appearance on campus. Giles Hobin, that afternoon, sang for the Chorus-Choir in rehearsal.

## THEN... . TO THE LIGHTER SIDE AND MUSIC

Three fine and appealing musicians from the Eastman School of Music were first in a concert series presented throughout the year. Their concert was given November 6 in Lehr auditorium.

Giles Hobin, tenor, began the program with four selections of classical songs. Edward Doyle then played three compositions on the singing blade. The blade is a long worked-on invention of his and is in reality the blade of a regular saw. This instrument produced a tone quality and range which rivals the human voice.

Piano soloist Harry Watts then followed with thrilling selections by Chopin, Debussy, and Schumann. The three then performed alternately, closing the concert with a Victor Herbert medley which included "Gypsy Love Song", "Thine Alone", and "I'm Falling in Love with Someone."

**Bridge.** Cards, the universal game on the campus, is played almost everywhere, by almost everyone, and a game may be found going on almost anytime. Below is a game in progress at the New Dorm. Left to right: Dick Jones, Norene DelBene, Joyce DelBene, Charles Dunn, Jack Finn, and Sally Asman.

Remembering the night of January 10 certainly is no hard task, for that date marked the Interfraternity Dance. Snow had fallen about all day that Wednesday, but that did not hinder anyone. On the contrary, a bright moon glowed onto the snow providing a rather romantic atmosphere both to and from the dance.

The Interfraternity Ball, an annual affair, was attended by numerous couples from surrounding communities as well as the university students. The IFC Ball was called by many couples as "the dance of the year".

This statement was undoubtedly due to the fact that the Interfraternity Council was able to secure the "Young Man with the Horn", Ray Anthony. Anthony, his trumpet, and his orchestra furnished the finest music ever heard in Taft Gym from 8:30 to 12:30.

Featured vocalists with the orchestra were Ronnie Deauville, Betty Holliday, and the Skyliner quintet. He also had such top-flight instrumentalists as tenor saxophonist Billy Usselton, and trumpet-trombone ace Eddie Butterfield.

"The Young Man With the Horn". Ray Anthony demonstrates his musical ability, with his band, at the I. F. C. Ball.

## WITH RAY ANTHONY AT INTERFRAT . . . . .

Showmanship, a quality neglected by many name bands, was augmented by the Anthony aggregation. During the latter part of their program the whole band marched through the audience while playing a loud and lusty jazz number.

The text of his music was the playing of request songs suggested by the couples. "Tenderly", and "Ray Anthony's Boogie" were among the most requested tunes.

Serving the Interfraternity Council on the social committee were John Padden, Joe Neidhart, and Gene D'Innocente. These three were responsible for obtaining a band so high in national popularity.

Ray Anthony crowned the IFC queen after she had been chosen by him from three candidates.

Ray Anthony crowns Lois Wiseman queen of the dance.

**House of Rimmon**—Pictured here are scenes from the religious play "House of Rimmon." The practice of the Northern Players has been to produce one play of religious significance per year. The play is based on the Biblical story of Noaman the leper who was saved from death and

disbelief by the love and faith of the slave girl Ruahmah. Top picture shows Ruahmah (Marilyn Hatchett) after being attacked by the guards of King Benhadad. Bottom, Lowell Forbes makes promise at the cup to fight the invading Assyrians for Benhadad.

## CULTURE MADE ITS IMPRINT

The Month of January brought many things culturally to Ohio Northern. It was a month of plays. Some of which were House of Rimmon and Abie's Irish Rose. Also present on campus was the appearance of a traveling light opera troupe who presented The Old Maid and the Thief and Gianni Schicchi.

House of Rimmon is based on happenings of the Old Testament of the Bible. In the play there are scheming and conniving people just as today. As the play develops, right overcomes wrong and justice inevitably wins as the curtain goes down on act three.

The music students of Northern and Bluffton College combined to sponsor the light operas "The Old Maid and the Thief" and "Gianni Schicchi". "The Old Maid and the Thief" was based around the old maid, Miss Todd, a bum, named Bob, and Miss Todd's maid Laetitia. The hobo comes to Miss Todd's home and stays. He falls in love with Laetitia and she runs away with Bob after robbing Miss Todd.

"Gianni Shicci" portrays what the relatives of a deceased person will do to gain more money for their own selfish interests. Shicchi, the third party in the scheme, wills all the money to himself leaving the family almost penniless.

**Comedy play of the year.** The Northern Players' production "Abie's Irish Rose" was presented January 23rd through the 26th. The play, which had an unusually long run on Broadway, was one of the more humorous and successful comedies given by the players.

The play takes place in New York City. Young Abraham

Levy (Alvin Pashin) meets Rose Mary Murphy (Colleen Polen) and they decide to get married. Abraham brings Rose Mary home to meet his father Solomon Levy (Alva Rubenstein), top picture. Abraham and Rose Mary get married but are shunned by both sides of the family. Finally everything works out all right on Christmas Eve. Bottom picture.

**Pictured are Pharmacy Students** who took a trip to the Eli Lilley Research Laboratories at Indianapolis, for a three day trip.

## WHILE SOME LEAVE CAMPUS FOR KNOWLEDGE. . . .

Throughout the entire year different organizations were making tours throughout the state and even into neighboring states. Whole classes left school for different periods of time. These trips were not only to pick up knowledge but to carry Northern's name over a considerable area.

The upperclass students from the Pharmacy College traveled to Indianapolis to be the guests of the Eli Lilley Company.

The Engineering College made various trips throughout the year. The Mechanical Engineers journeyed to Cincinnati and Toledo in the course of the year. The Electrical Engineers traveled to Lima while the Civil Engineers made various saunters.

Mrs. Katie Lou Hanson's Elementary Teaching Classes visited the University School sponsored by Ohio State University to view the techniques of teaching.

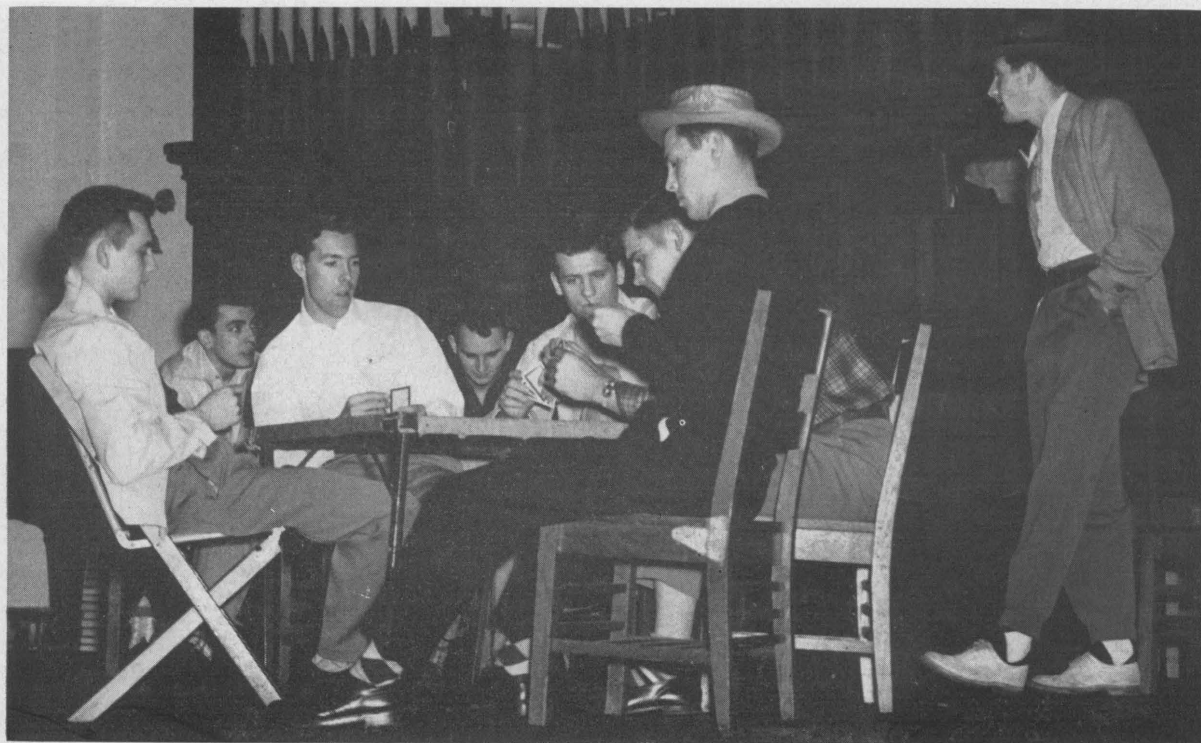

The Ohio Northern Business Club spent a few days in Detroit, Michigan visiting the Ford River Rouge plant and Station W.G.A.R.

**The American Institute of Electrical Engineers** visits a power station in Lima. Left to right: R. Drake, Prof. Klingenberg, J. Erdos, J. Maugeri, and their guide during the tour.

**South Pacific.** The students and faculty were treated to an outstanding performance by the Theta Kaps in Assembly. The version of the famous Broadway Show, South Pacific, was done entirely in pantomime. Gene D'Innocente read the interpretations of the scenes.

**Life at Northern.** The members of Delta Sigma Phi presented Life at Northern, before and after the draft. This was the second of the fraternity assembly programs.

**Marcia (Daisy Mae) Wolfe** lassoes **Doe (Li'l Abner) Bellingham** at the Sig Ep Annual Daisy Mae Dance. **Salome (center)** gets a little sleep.

**Delta Sig Annual Sailor Ball.** **June Ridenour** and **Jim Parks** were selected by the men and women respectively as the two people they would like most to be marooned on an island with.

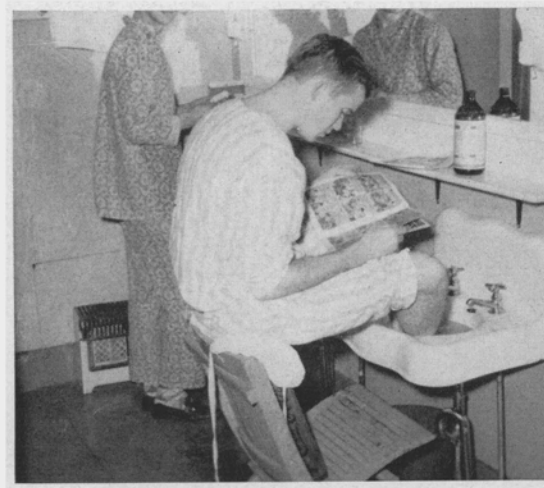

## OTHERS STAY AND **WORK** (?) . . . . .

While other students left the campus to receive further knowledge, the majority of students remained on campus to study. Now, it remains to be seen as to the actual amount of learning consumed during the year.

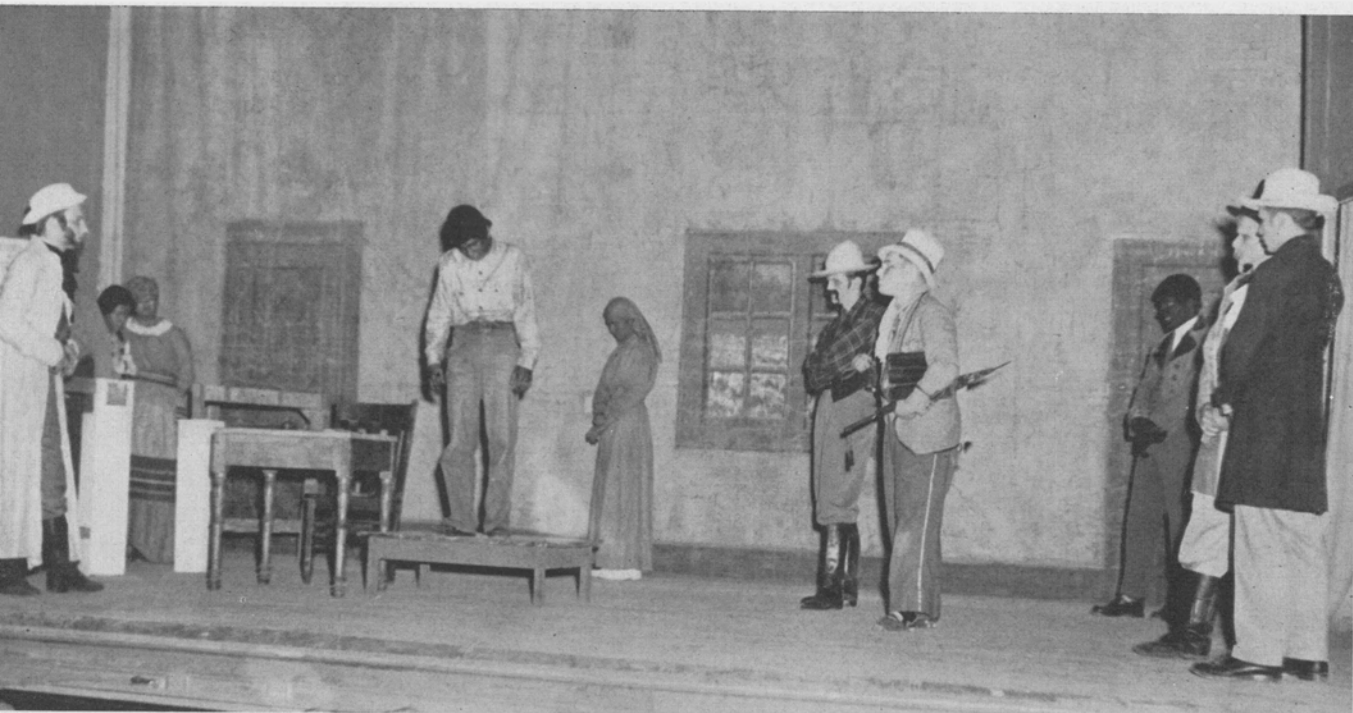

For a period of eight weeks the fraternities practiced for their chapel programs (page 28). Among some of the other programs presented were the Sig Pi's and Sig Eps. The theme of the Sig Pi's program was "If Men Played Cards As Women Do". The Sig Eps presented an Amateur Show for the Assembly.

Not to be neglected are the fraternity dances. Many of these parties were extremely successful throughout the school year. The Alpha Sig Apache Dance and the Theta Kap Turtle Hop are two dances which are looked forward to on campus.

The Northern Players were preparing for "Uncle Tom's Cabin" at that time. Professor Bale was conducting daily rehearsals and preparing the stage for the world-famous play.

Last minute review before finals.

## *Uncle Tom's Cabin*

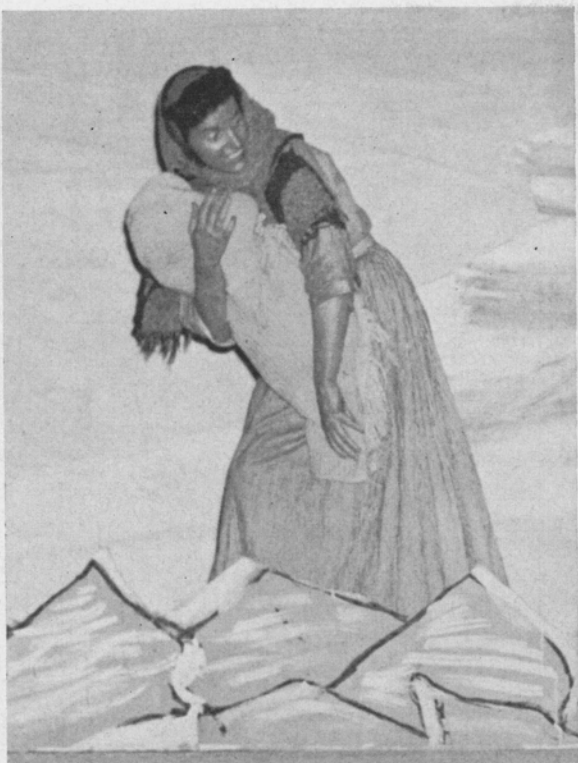

Harriett Beecher Stowe's immortal book, which was made over into the famous play, "Uncle Tom's Cabin" was received with much enthusiasm at Northern on the 100th anniversary of its writing. Top picture shows the slave market and the bottom picture illustrates the death scene of "Little Eva".

## FEBRUARY; CENTENNIAL OF UNCLE TOM'S CABIN . . . . .

The Northern Players presented their performance of the play "Uncle Tom's Cabin", February 12th through 17th. This play has been classed as the "world's greatest hit." The performances given by the cast turned out to be very successful. Professor William Bale played the role of Uncle Tom. Other leading characters were Virginia Davis as Eliza, Mary Phyl Starr as Little Eva, and Audrey Dister as Topsy. Supporting roles were played by Mary Arthur, Mary Robey, Marilyn Hatchett and Pat Whiteford. The leading male roles were played by Lowell Forbes, Jim Parks, Harlan Breck and Joe Barnes.

After the performances at Northern were completed, the cast had the pleasure to travel to Chicago where they gave two performances at the Irving Park High School. Both of these performances turned out to be a great success.

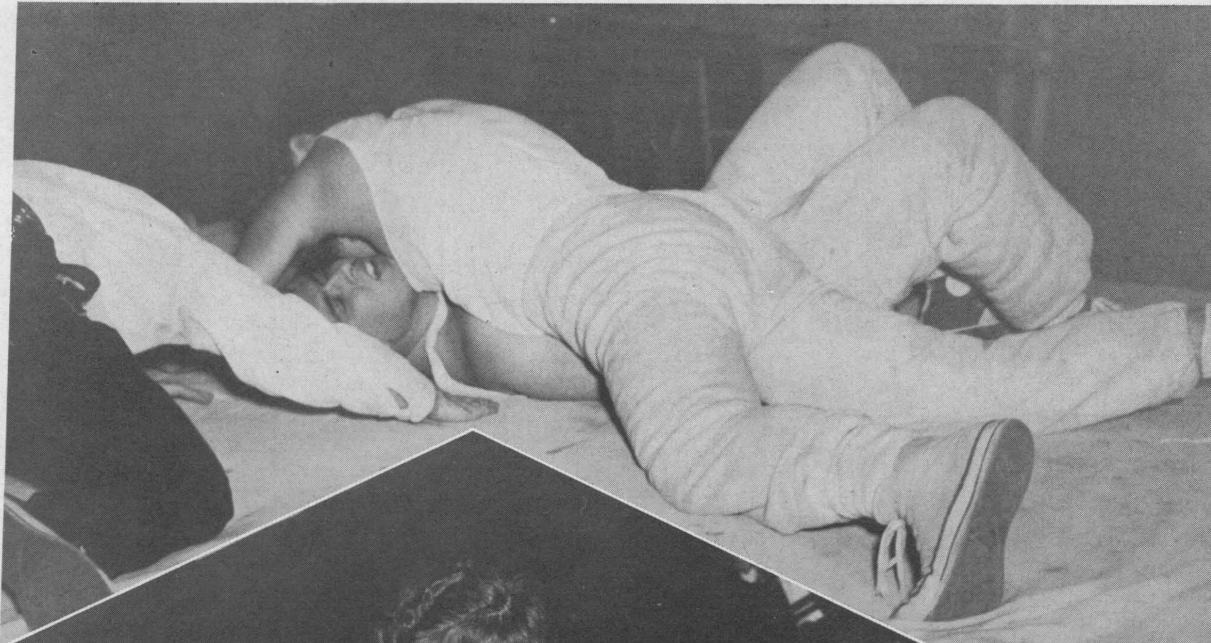

Eliza (Virginia Davis) crosses the ice-filled Ohio River, as the bloodhounds follow her in "Uncle Tom's Cabin."

**Going to the movie.** When there is little doing on the campus everybody goes to the show. This is especially true on the weekends. Pictured here are a few people caught in front of the Ada Theater.

**Left to right:** Dick Jones, Sally Asman, Ruth Schertzer, Valt Brutzer, Jack Finn, Norene DelBene, Charles Dunn, Joyce DelBene, Judy Runkle, and Ed Overmyer.

**Top.** Jim Patsiavos pins Howard Margolis to the mat during their match. Jim won the match. Larry Archer, as referee, checks the pin. **Bottom.** During one of the scrappy matches on the boxing card Verne Haugen and Al Pashin met. Verne is shown above delivering a left jab to the mouth of Al. Haugen won the decision.

**Fite Nite winner.** Ken Stralka, Theta Kappa Phi Boxer, receives the winning trophy from Mr. Louis Kane of the Lima A.C. Ken was voted the best boxer of all the Fite Nite contests. He received the winning decision over Bob Miller, an independent.

Considered by many to be the best bout of the evening was that in which Ken Stralka, (Theta Kappa Phi), won a split decision over Bob Miller, (independent). Fighting in the middleweight division, Don Sutherland, (Delta Sigma Phi), outpointed Max Miller, (Alpha Sigma Phi). An event which promised to give much heavy and fast punching was halted when Don MacDonald, (Delta Sigma Phi), dislocated his arm in a bout with Les Johnson, (Phi Mu Delta). The judges called the bout a draw. In the final event of the evening, Al Carrino, (Theta Kappa Phi), won by a T.K.O. over Joe Vos, (Alpha Epsilon Pi).

## PUGILISTS MAKE THEIR DEBUT.. . .

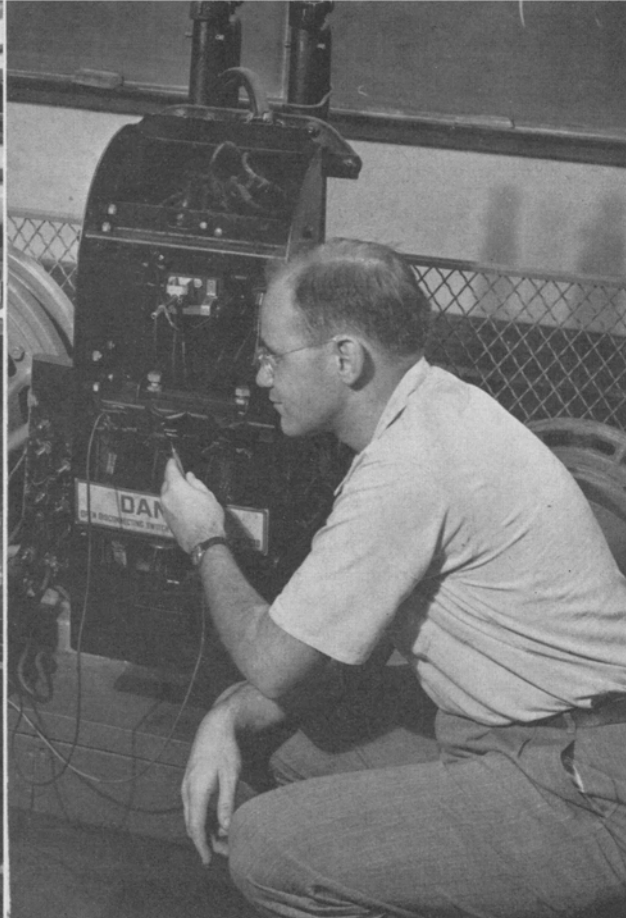

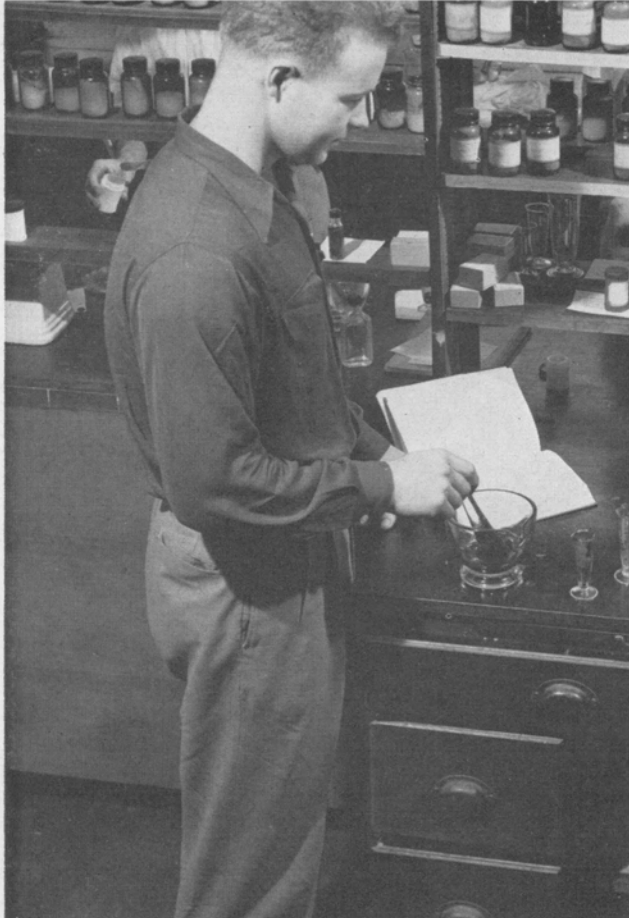

The stinging slap of leather on cheek, and the grunts and groans of wrestlers skidding across the mat were heard at Northern on the night of March 16. The occasion was the annual "Fite Nite" sponsored by the N-Men's association. Ten action packed bouts were witnessed by the spectators at Taft Gymnasium.

The six boxing bouts were interspersed with four wrestling events. Since the program was governed by intercollegiate rules, the boxing events were fought in three two minute rounds, while the wrestling events went eight minutes. Dr. Warren Hickman handled the leather-tossers while Prof. Archer officiated for the grunt and groan boys.

None of the wrestling matches went the distance, each being won by a "pin". A light, fast bout started off the evening with Jerry Devault, (Delta Sigma Phi), pitted against Howie Levy, (Alpha Epsilon Pi), in the 125-134 pound class. Devault took the decision. Moving on up the scale, Rod Eley, (Delta Sigma Phi), won over Gil Franklin, (Alpha Epsilon Pi), in the 135-154 pound class. Jim Ballinger, (Kappa Psi), came out on top of Jerry Lamale, (independent), in the middle weight class, 145-154 pounds. The final wrestling event was a heavyweight encounter in which Jim Pastiavos, (Kappa Psi), pinned Howard Margolis, (Alpha Epsilon Pi).

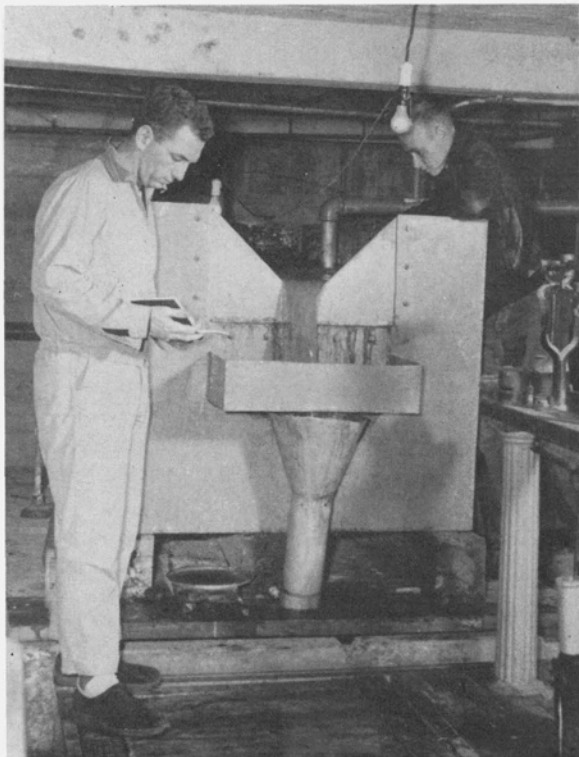

Three welterweight bouts started off the boxing events for the evening. In the first match, Verne Haugen, (Kappa Psi), T.K.O.-ed Al Pashin, (Alpha Epsilon Pi), in the second round. Leon Goldin, (Alpha Epsilon Pi), followed up with a second T.K.O. over Barney Poole, (Alpha Sigma Phi).

## NEVERTHELESS SCHOOL **GOES ON** . . .

Anyone who goes to college or has ever attended one knows that there are other things to do besides participating in activities and sports. Sooner or later school work catches up with the student even if it has to be mid-terms or finals. A surprise test has the same effect by putting many of the students back to the books and preparing against that time in which the prof. might give another flash exam.

Being a university, wide differences can be noted at once by the different fields of study, also definite and distinct languages are developed and continued within the colleges. Just the same, a student is a student and he studies.(?)

Moot Court for Lawyers.

**Just before** the seniors leave law school, they hold practice sessions in the law building. They learn the art of procedure of the courtroom for later experience.

**The Sorority parties** are looked forward to by all the Freshman girls and new girl students on the campus. Every year in January the sororities hold these rush parties for prospective members. Top picture is the Phi Chi Rush Party. Their theme was the premier of the Phi Chi theatre. Left to right are Lucy Dincan, Sue Bremyer, Dixie Schlickman, Lois Stedcke, Miriam Jones, Harriett Ritchie, June Ridenour and Nancy Brown. Bottom is Theta Casino of Theta Phi Delta. **Last minute hand-clasp.** Pledges J. Probst, A. Woodard, J. Ebel, P. Porter, and S. Huff receive feeling of unity before going into the Theta House. Dolores Novak keeps an eye on them.

## SORORITIES COME TO THE FRONT . . . . .

The girls, after the rush parties, decide on which sorority they would like to join. It is a big day when the girls decide which sorority they wish to become affiliated with.

What ensues the weeks following is termed pledgeship. It is during this period that the new neophytes must undergo errands, pressing formals, etc.

Next comes hell week. All the men on campus can tell this stage when they see a white-faced, straight-haired girl toting a paddle and refusing to talk to any males, lest an active should see her and reprimand her later.

Generally hell-week begins on Wednesday and lasts until Saturday morning. The girls then undergo or have already gone through informal initiation.

Early on Sunday morning the drapes are drawn in the sanctuaries of the sororities and the formal initiation ceremony is being carried on. When the door is opened out step the new members, whether they be members of Phi Chi, Tau Kappa Kappa, or Theta Phi Delta Sororities.

**Paddle signers.** D. Jones and J. Padden sign the T.K. pledge paddles of M. Hatchett and B. Wolfley.

**Choir trip East.** The members of the chorus-choir will remember the 1951 tour in the East. This will be done chiefly by photographs, which they snapped along the way.

**Burnt Hills, N. Y.** Members posing are—J. Ewing, B. Keeling, L. Dincan, R. Lillie, C. Kiehl, S. Brysacz, H. Ritchie.

**New styles.** Demar Neal, of Kappa Psi, escorts Miss Stephens onto the stage during the Spring Fashion Show.

## WHILE O.N. U. GOES ARISTOCRATIC.. . .

During Spring quarter there were various factors pointing to the fact that O.N.U. was going aristocratic.

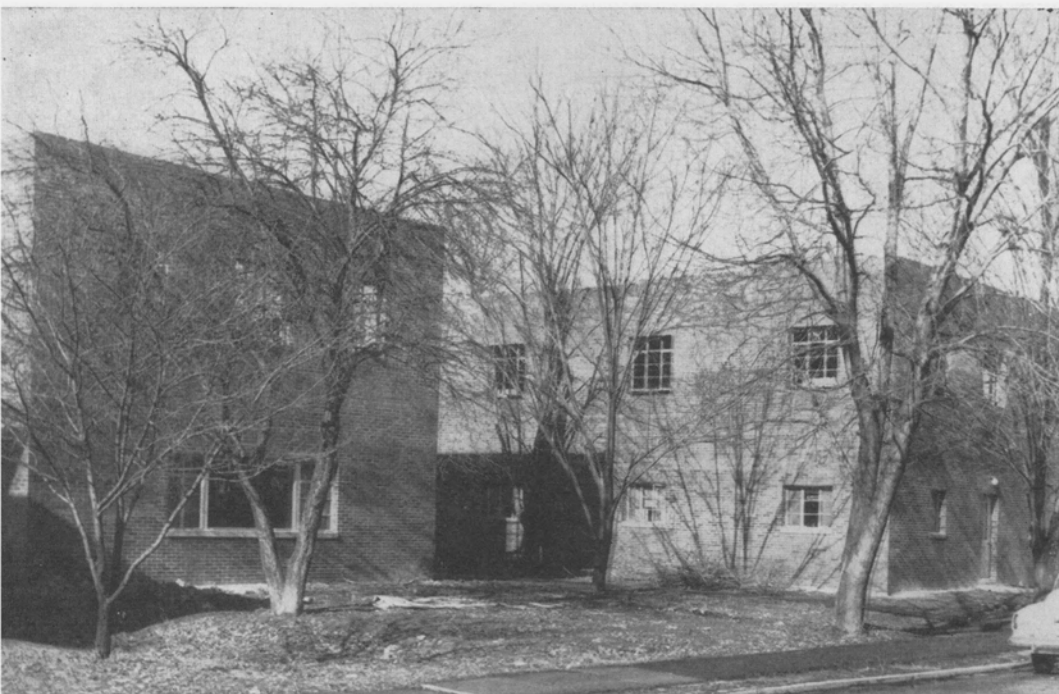

The Chorus-Choir began a trip to the East. They toured mainly through New York state, making stops at most of the important cities of upstate New York. Finally the group arrived in New York City to spend a well-deserved three day vacation.

A fashion show was given by the F. and R. Lazarus Company of Columbus. The program was sponsored by the Faculty Wives Club. With a completely filled Presser Hall, the students and townspeople enjoyed the style show featuring 30 of the newest styles for spring and summer fashions. Eight fraternity men accompanied the models.

On Friday, April 13, the Barristers traveled to the Lima Elks Club for their annual dance. There was an exceptionally good crowd present and everyone had a good time. Gene Fox, chairman of the dance, provided additional entertainment during intermission.

**Barristers and their ladies.** Left to right: A. Evans, J. DelBene, B. Brown, J. Arter, W. Weidemann, C. Polen, B. Jones, and R. Nolan.

## CAMPUS IMPROVEMENTS

**Top:** The Girls' Dormitory on South Union Street is just about completed. The university is to house all of the women students there. **Lower left—**The Alpha Sigs aid in beautifying the campus with a new stone wall. **Bottom right—**Station W.O.N.U. was under construction on the third floor of Presser Hall.

## MAKES IMPROVEMENTS; SEES GHOSTS . . . .

Many improvements have been made around Northern's campus this year. Paramount among the face-lifting projects is the new Student Dormitory for women. It will accommodate about 90 women next year. It will be completely equipped with kitchen and dining facilities, and a student lounge.

Alumni Hall has been completely redecorated this year. Installation of a broadcast studio has been completed. Preparation of Ohio Northern radio programs are made there.

Chills and thrills ran up and down the backs of the spectators at the Northern Players production "The Ghost Train." The play, presented April 17 to 20, was the yearly mystery show. The action takes place in the waiting-room of the railway station at Clear Vale Junction, Maine. The cast did an admirable job on the play.

**Top picture.** Miss Bourne (Mary Robey) is being helped to her feet by Richard Winthrop (Dick Frick) and Charles Murdock (Richard Mutz).

**Marooned for** the night in the station, these unfortunate people are thinking of a way to leave before the ghost train arrives at midnight.

**Greek Sing Winners.** Kappa Psi Fraternity and Theta Phi Delta Sorority won the second annual greek sing sponsored by the Student Christian Association.

Dr. and Mrs. Binkley returned at the beginning of the school year from England. Here they are shown in the garden of Ises Hotel Oxford, England.

## GREEKS SING AND SPRING IS UCSHERED IN. THEN . . . . .

In April the students begin to look forward to May. In May they look forward to school being out. At some time "ole father time" begins his 100-yard dash to see if everybody had enough time, or not, to finish those term-papers, take in the spring formals, watch the baseball games, or get out to the quarry for a dip.

Whether it was the weather or activities time went by with a flash, as the student prepared for the May activities and going home.

The Spring sports were getting under way. The diamondmen were striving for their first win. Thin-clad trackmen were running around the track in the gym. The tennis boys got in a little time on the courts while waiting for the weather to become warmer.

Many of the frats and sororities participated in the second annual Greek Sing. The program is provided to give the students a variety in college life. Kappa Psi Fraternity and Theta Phi Delta Sorority received the winning trophies (left page). The popularity of the program showed that it will be looked forward to next year.

From the Sig Pi house to the Theta house everybody was getting their floats ready for the May Day Parade. That was one vacation which was a cherished day of relaxation.

There was not a person on campus, who at one time or other did not look back over the year. They remembered Homecoming, Christmas vacation, final exams and chapels. The cup of coffee was a favorite pastime—after studying or between classes. They remembered other things such as dances, labs, etc. When the students began counting the days until school was over, then Spring was in to stay.

## May Day Skits

**Maharaja of Magadore** was portrayed by the Theta Kaps in their support of Candidate Gene D'Innocente for May Day King. Casimir Osowski, campaign manager, and Gene D'Innocente (Maharaja) "sing" for the assembly. In front are: Bearers, J. Wagner, P. Barrett, W. Breda, and R. Gibbons. G. DeSanctis stands guard.

Bottom—Mary Phyl Starr is helped off the piano by G. Evans and R. Fox. In the background is B. Wolfe, and J. Arter. Mary Phyl was a senior candidate for queen.

**The winners.** For the second year in a row the law school received the clean-up plaque. Riley Williams and "Sibby" Sibbring polish the windows, as other law students work inside.

## MAY DAY, A DAY OF ACTIVITY . . . . .

Wednesday, May 2, was the Annual May Day celebration. A full program was scheduled for the day. Mary Phyl Starr and Gene D'Innocente were elected May Day Queen and King by the members of the senior class following the assembly program April 26. All of the candidates had to participate in a skit of some sort, so that they might be introduced to the assembly. Shirley Hindall, Ruth Schertzer, and Ruth Hainline were the attendants elected by the underclasses.

Early in the morning activity was noticed in the buildings and surroundings. It was the members of the various colleges beginning to clean the buildings. Dean Petit of the law school was presented the winning plaque at the baseball game, for the second year in a row.

**The court at breakfast.** The day began with breakfast for the entourage at the College Inn. Shirley Hindall, Queen Mary Phyl Starr, King Gene D'Innocente, Ruth Schertzer,

and Ruth Hainline get ready to commence with the process of eating.

## *Cutting the Ribbon*

**May Day** formally began at 9 a.m. with the cutting of the ribbon by the king and queen. Pictured above, left to right are: Ruth Hainline, King Gene D'Innocente, Queen Mary Phyl Starr, Shirley Hindall, and Ruth Schertzer.

**The king and queen** view their subjects from their regal position in the parade.

## FORMALITIES, A PARADE, A GAME. . . .

At 9 a.m. the king and queen cut the ribbon across Lehr walk formally opening the May Day activities. It was at this time that the second part of the day's schedule began. That was the cleaning-up of the campus.

By 1:30 in the afternoon a large crowd was collecting along Main Street in anticipation of the May Day Parade, while "Ole Sol Sun" shone out of a clear sky. The half-mile procession showed a large amount of effort on the part of the participants.

After the parade everybody went over to Wibbler Field to watch the Northern-Findlay game.

**The king** tosses the first ball to begin the baseball game with Findlay. Despite a large crowd and sunny weather Findlay won 7-2.

The prize floats. The Phi Chi Sorority won their division for the third year. The theme was based on "World of Knowledge". It was composed of two sections: one a huge ink bottle with a quill and the other a globe.

Sigma Phi Epsilon, using the theme, "Progress", won the fraternity division. The float featured "King Spring", who controlled the forces of evil as well as those of good.

Paul Covert places the crown on Mary Phyl Starr as Gene D'Innocente looks on.

## RUSS CARLYLE PLAYS AT DANCE. THEN . . . . .

People began to flock into Taft Gym on May Day evening. The reason? Russ Carlyle and his orchestra were playing for the May Day Dance.

A large, enthusiastic crowd greeted this up-and-coming band leader. Carlyle presented a far different and more enjoyable type of program than had been offered by any other band member, to that time. A novelty number which he presented during the intermission was "My Gal and I". He impersonated all the crooners of the last twenty years whom his girl adored, though he was trying to win her over. The rendition received a very favorable response.

It was also during intermission that the king and queen were formally crowned. Paul Covert, student council president, did the honors.

The royal throne is presided over by the monarchs Gene D'Innocente and Mary Phyl Starr. Ruth Schertzer, Shirley Hindall, and Ruth Hainline adorn the pedestal.

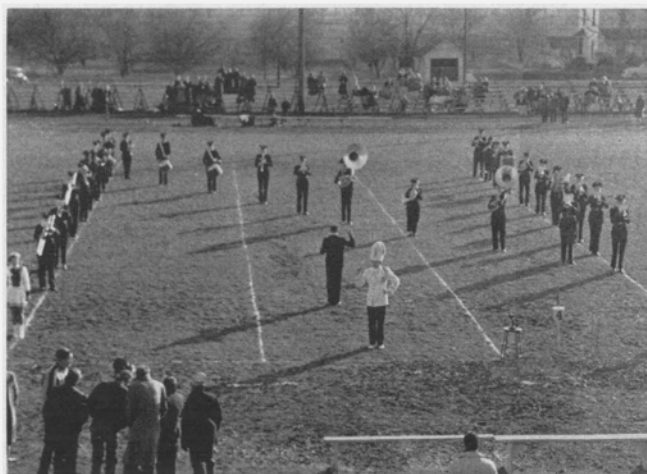

**The last appearance** of the O.N.U. marching band was on May Day. The band was a credit to the university throughout the year. Drum majorette is Margo Almgren and drum major is Bill Shepard.

A credit to the university was the band under the direction of Prof. Walter Jones. Prof. Jones, in the time that he has been here, has built up his band numerically and in quality.

During football season the band played at rallies, between halves in the games, and at Homecoming.

The band turned to basketball during the Winter and played at all of the home games. Many a time they pepped up sagging morale of the boosters. The group performed also on assembly programs.

In the Spring came the annual Spring Concert and May Day. During Alumni Day, the aggregation performed for the visitors in a lawn concert.

**Many people**, who saw the home football games, remember the fine half-time programs of the band. Here is their N formation.

Tri-Sorority Dance at Findlay Elks.

## TRI-SORORITY FORMAL: DR. MILLIKAN SPEAKS . .

On Friday, May 4, the Panhellenic Council in cooperation with the three sororities held their Tri-Sorority Dance. The Greek girls and their dates journeyed to the Findlay Elks Club for their rendezvous. The pleasant surroundings plus good dance music equalled a top rate evening.

One of the foremost scientists visited Ohio Northern on Thursday, May 3. Dr. Robert A. Millikan spent the day meeting students and instructors. He climaxed his visit with an address before the student body in the evening.

Dr. Millikan departed from what many people anticipated to be his theme of speech. He brought in the subjects of religion, philosophy, and ethics. As he progressed in his speech he brought to the audience the correlation of science and religion, from the beginning, down through the ages.

This distinguished man, a Nobel Prize winner, captured the fancy of his audience by speaking as a "man in the street".

The Northern Chorus-Choir made its last public appearance in its Spring Concert, May 9. The program consisted of religious and secular music. Henry Dodson, Carolyn Kiehl and Hazel Hoxter presented the solos. A new feature was added to the program with "A Tribute to Romberg". It contained a medley of Romberg's famous songs. The audience enjoyed the program very much by urging the concert to give several encores.

**Max Beck.** Senior in Liberal Arts, presented the only organ recital of the year. It was also the first recital given in many years.

Gaining a widespread interest on campus are Dean Otte's lifesavers. When asked for a comment, he said, "Have a lifesaver".

## CONCERT; YEAR DRAWS TOWARD A CLOSE . . . .

As the year headed towards a conclusion, final concerts were held, recitals given, and a general reminiscence of the year.

The cheerleaders concluded a year of leading sports fans in cheers in football and basketball. Ever ready to lead in "Oh-io" or give support to the fight song, they were the leaders of cheer and support for the home team. If the odds were against us there would be many cheers, and so it went throughout the year.

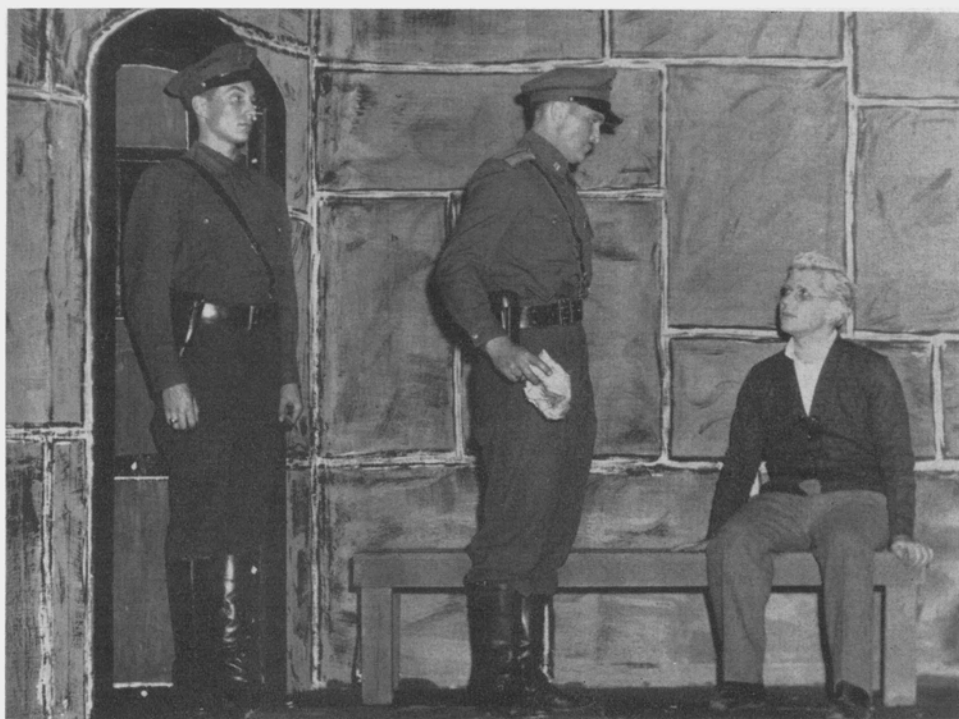

The cheerleaders ended a cheering year by hanging their uniforms up. Left to right—Carl Jewell, Anne Koch, Dixie Schlickman, June Ridenour (captain), Carol Ramsey, and George McMillen.

**Buddy DeFranco** and his orchestra appeared at Northern for an evening concert. DeFranco, noted for his clarinet playing, provided a very enjoyable evening for the large audience.

**Little Red Riding Hood** at O.N.U. The Phi Chi Sorority took top honors in the assembly programs given by the three sororities. **Big Bad Wolf** (Nancy Brown) stops **Red** (Jean Faller) on her way to grandma's house.

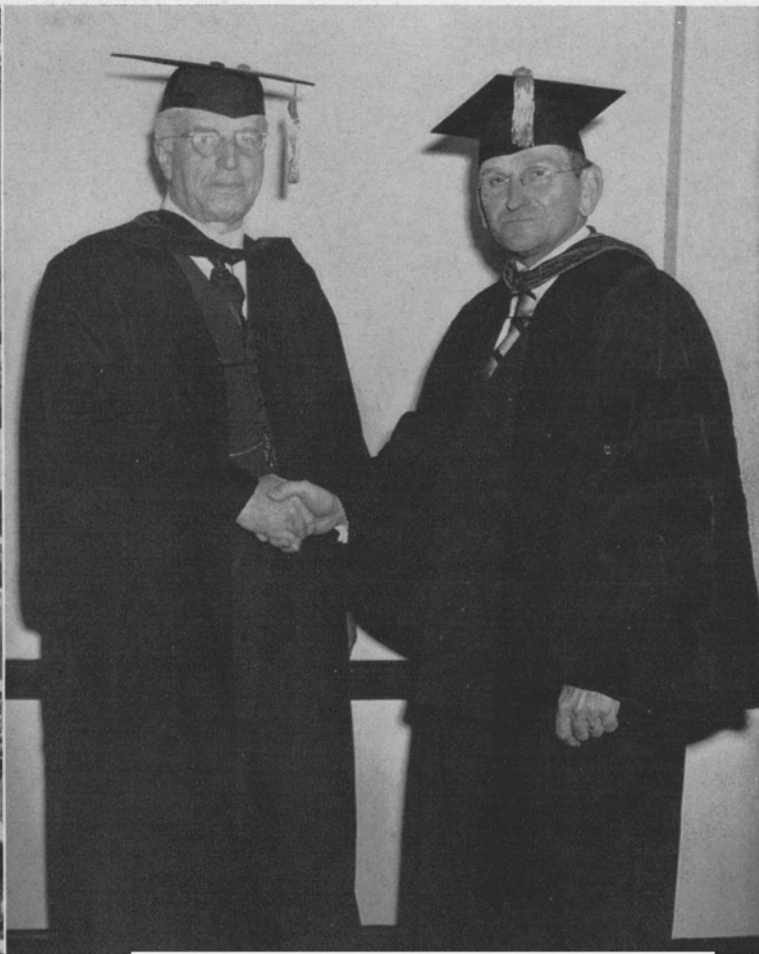

**"Darkness At Noon"**. The Northern Players climaxed the year of five plays with the dynamic "Darkness At Noon". The play, still running on Broadway, received an enthusiastic reception. The play took place in a Russian prison.

Above: **Rubashov** (Alvin Rubenstein), a loyal Bolshevik, is thrown into prison to be ultimately executed. **Gletkin**, second in command of the prison, tells Rubashov to clean his cell up. At left is a guard (Lowell Forbes).

**Commencement procession** moves into the chapel in Lehr building.

**Chief Justice Carl V. Weygandt**, of the Ohio Supreme Court, and **Dr. F. Bringle McIntosh** shake hands following the commencement program.

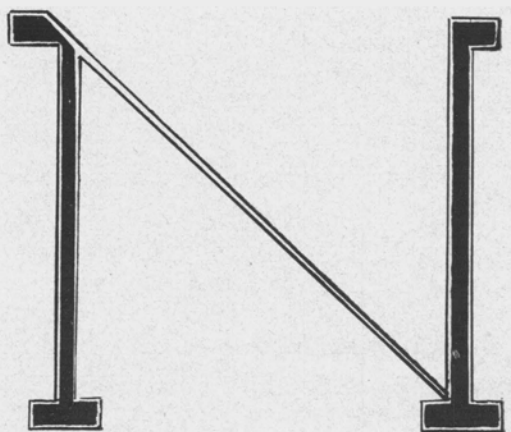

The last week of school was a hectic one. Old grads returned to the campus along with the parents, relatives, and friends of the graduates. The last minute studying for exams and the final packing were top items on the individual student's list. 281 students received their degrees and listened to Chief Justice Weygandt give the principal address.

**Going home.** Norene DelBene packs before leaving for home. Harriett James and Sally Asman watch.

## THE ATHLETICS . . . . .

Football in the Fall, basketball in the Winter, baseball, track, tennis, and golf in the Spring makes Northern sports-minded the whole year. There is a team representing the university in one sport or another from the first day of school in September until the last day in June. And, on the whole, they make an impressive record in their meets with other schools.

## SEASON PREVIEW

Jack Decker, (12) stops Burton of Cedarville, in the opening game of the year. Ohio Northern won 21-7.

Jack Decker carries the ball on outside play against Wilmington College at Memorial Field, Ada. Northern took the game 21-7.

Left End, Al Willoughby, stops the Findlay ball carrier at the Findlay-Northern game. Northern was victorious 35-12.

# FOOTBALL 1950

The 1950 grid team can display the most successful season boasted by the Polar Bears since 1942. And they've got the trophy to prove it. The Mid-Ohio League trophy, that is.

Their ten game schedule, which shows only a single blemish, a 22-27 defeat in the hands of Detroit Tech, tops the five won, one lost, and one tied record of the '42 squad. This record also places them second in the state standing just behind Kenyon.

Fifty candidates reported August 30 in answer to coach Clyde Lamb's call. Of these, sixteen were lettermen. This gave Lamb just thirteen days in which to hold practice before the opener with Cedarville, which, according to reports, had the strongest team in the school's history.

This MOL foe took a 7-0 lead in the first half

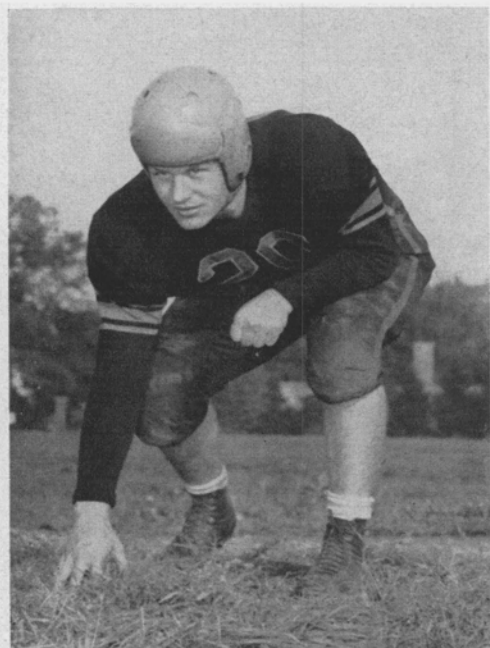

following a 50-yard touchdown run. Things were evened by Bobby Donelson as he took the opening kickoff of the third quarter and ran 80 yards to score. Donelson scored a second time and Jack Decker followed with a 90 yard touchdown play. Northern's extra point tries were good making this victory complete.

At Wittenberg, Northern's "automatic" Donelson completed both extra point tries following six-pointers by Decker and Brickner. The extra point tells the story for, even though Wittenberg scored a pair of TD's, a bad pass from center caused their miss for extra point.

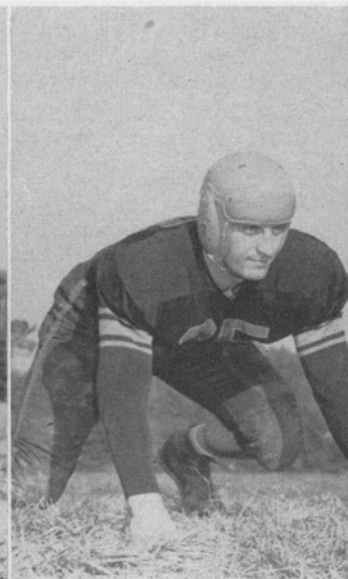

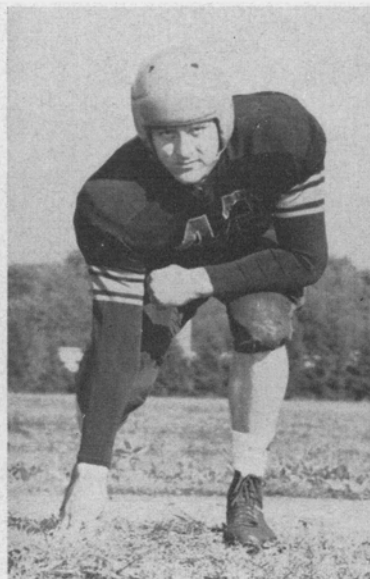

In the Olivet fray the Bears took their third straight win by tallying five times, obtaining a safety, and making good on four of five PAT attempts. Olivet scored on a fullback plunge late in the second period. The entire roster for Northern saw action in this battle.

## In Memoriam

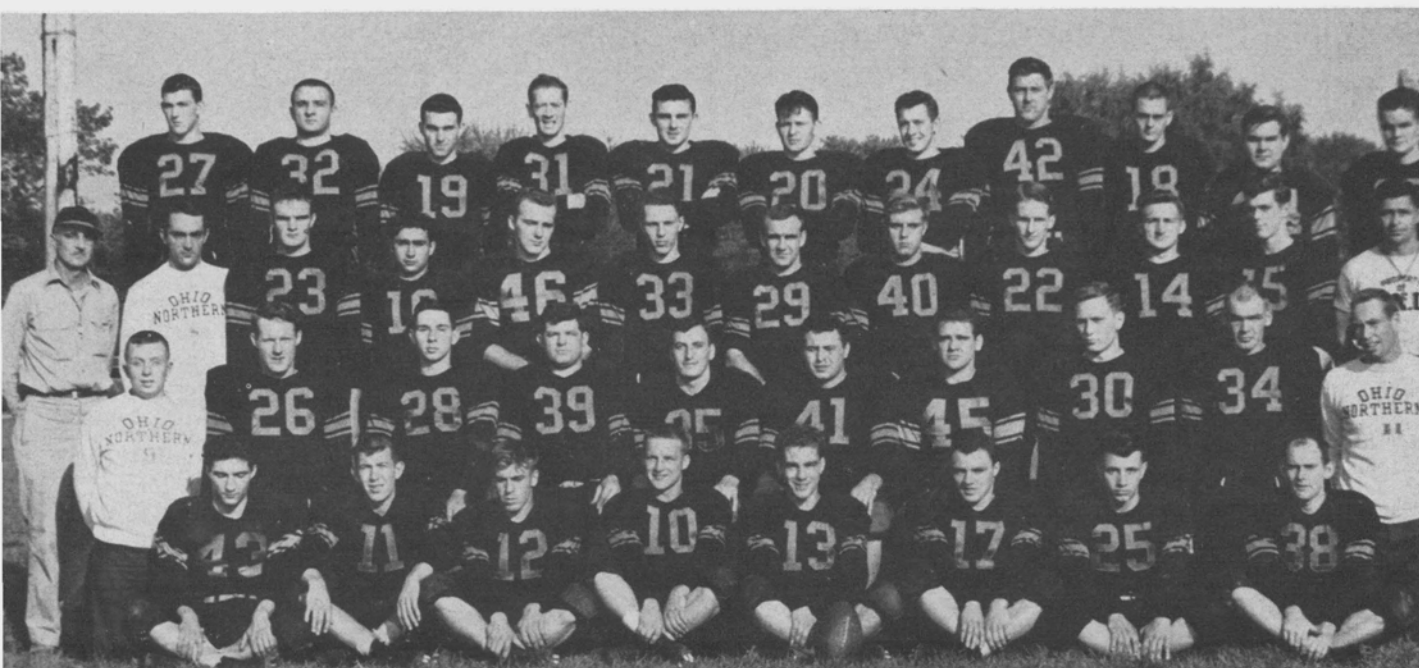

**Jim Starr**, guard, 1950 squad. Died in Korea, February, 1951.

**Co-captains.** Al Willoughby, end, and Al Carrino, guard, were elected the co-captains of the 1950 squad by their teammates.

**Polar Bear Squad.** Rear—R. Raebel, R. Johns, J. Ronsini, R. Poole, W. Shunkwiler, J. Starr (deceased), R. Brickner, A. Willoughby, E. Marshall, C. Moliter, A. Evans. Row 3—Clyde Lamb, head coach, W. Rentz, Mgr.; L. Johnson, B. Mazero, A. Corso, F. Kahn, J. Davis, H. Skelly, J. Finley, G. Adams, J. Baughman, Marvin English, line coach. Row 2—N. Allen, Mgr.; C. Stober, J. Dixon, T. Kelton, A. Carrino, R. Irvin, J. Loughbridge, R. Rasul, J. Stokes, D. Kling, Mgr. Front—E. Weber, W. Arthur, J. Decker, R. Donelson, E. Baughman, D. Sutherland, L. Mast, J. Witner.

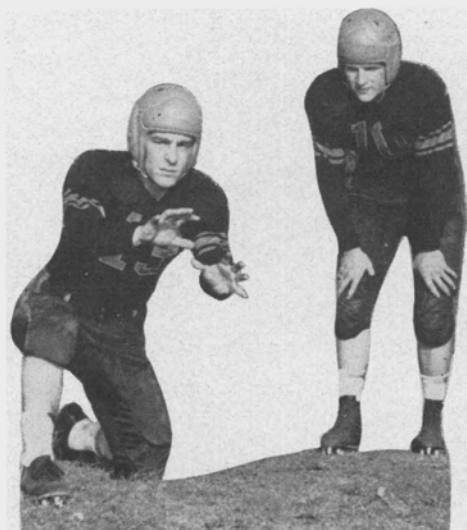

Detroit Tech, unlike the Olivet Michiganders, mixed a running and passing offense to eke out a five point margin of victory. Northern led early in the game via a safety, a touchdown by Joe Baughman, and extra point. But Detroit's big guns, Pilibosian and Peck were unstoppable, as they built up a 27-15 lead. Northern scored a futile TD in the final seconds.

Making their home debut, the Bears romped over Wilmington for their fourth win, 21-7. Leading in the third quarter 14-0, chances for a shutout were ruined when the Quakers scored from Northern's three. Jack Decker countered, racing 31 yards for the final touchdown of the evening. Donelson booted his third straight conversion to run his string to 14 out of 16 attempts.

Northern had to come from behind to cop a 13-6 win over Bluffton's Beavers. The Beavers held a 6-0 lead till the final quarter when Skip Baughman and Decker both reached pay dirt.

A feature of the Defiance shutout was a 98-yard run by Frosh Joe Baughman, after a pass interception. Scoring honors were shared by Baughman, Arthur, Brickner and Adams in spoiling the Yellow Jacket homecoming, 36-0.

**PAT Kickers.** The two players here constitute the point after touchdown combination. Skip Baughman, arms outstretched, holds the ball for Bob Donelson. Donelson converted successfully 29 times of 33 attempts.

The Polar Bears coasted to their seventh victory after running up a 14-0 lead over Capital U. in the first half of ONU's homecoming fray.

By the time of the Findlay game, the Polar Bears had become known as "a very talented aggregation." They proved it by dethroning the Findlay Oilers on Memorial Field by an eight point margin, 21-13.

Northern whipped the Ashland Eagles, 35-12, to capture the MOL crown. All scoring in the game surprisingly enough, came in the second half. TD's were made by end Bob Raebel, backs Skip Baughman and Bob Donelson.

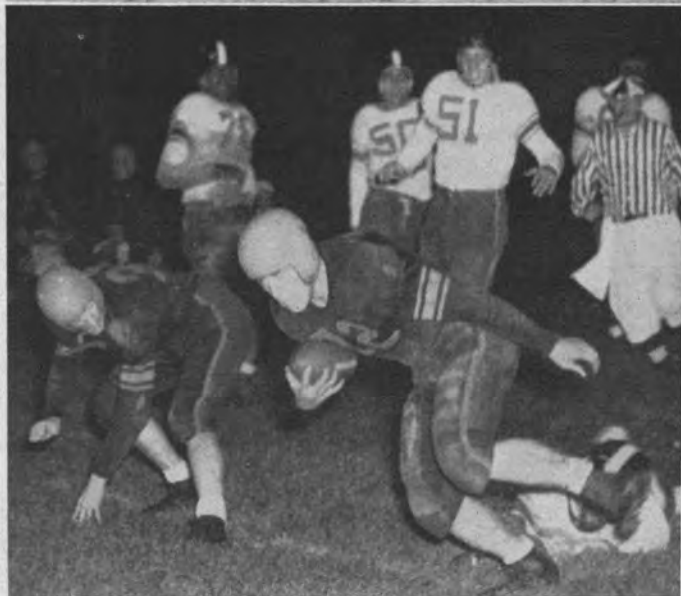

Benny Mazero gains yardage in the Northern-Defiance tilt. Bob Brickner (20) falls to block outstretched arms. Northern 36—Defiance 0.

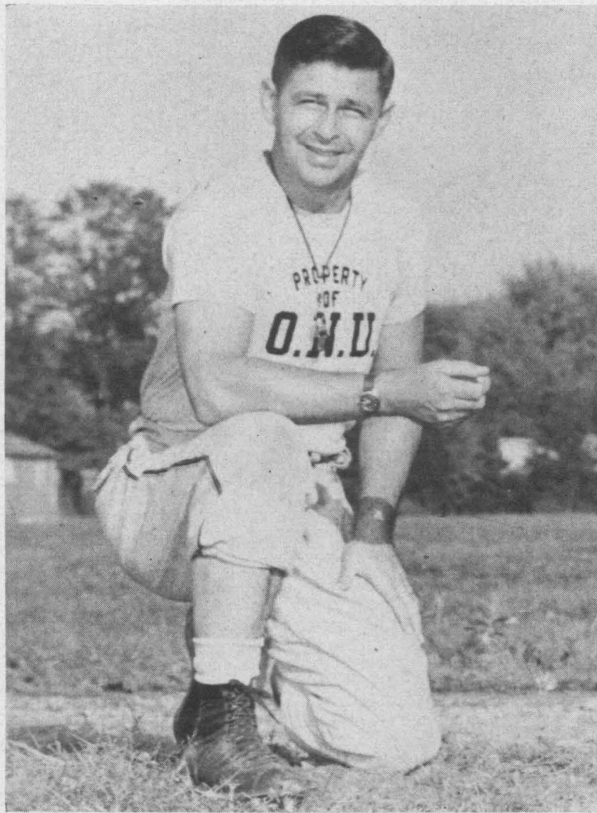

Jack Decker, halfback, lugs the pigskin in a quick opening play against Bluffton College. Barney Poole offers Jack protection. Ohio Northern 13—Bluffton 6.

Bottom Right—Skip Baughman is felled after a gain on an end sweep.

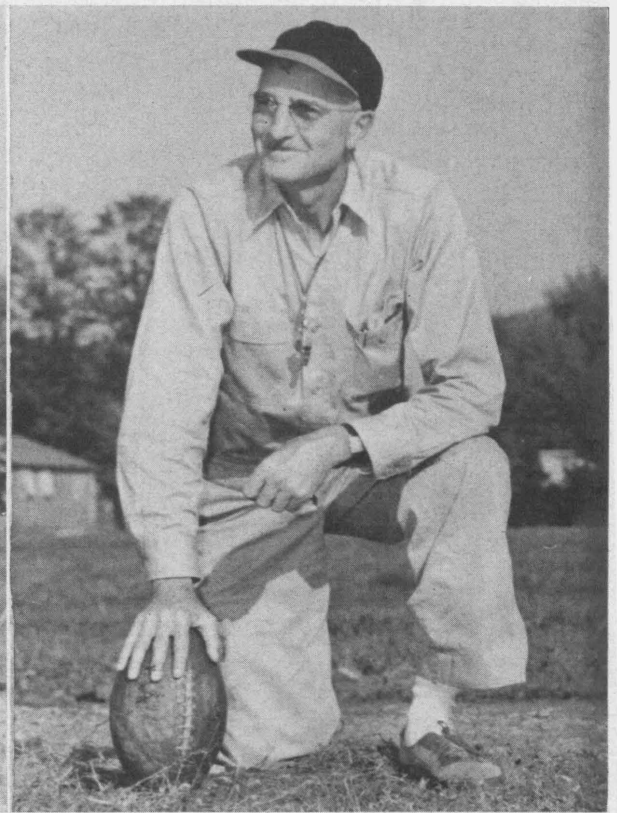

Bottom Left—Jack Decker, halfback and fullback, ran 128 times from scrimmage to compile 879 yards gained. This running compiled an average of 6.7 yards per try.

Bottom center—Joe Baughman, freshman quarterback, ranked as Northern's top passer. Joe completed 16 passes of 39 attempted to give a total of 194 yards gained.

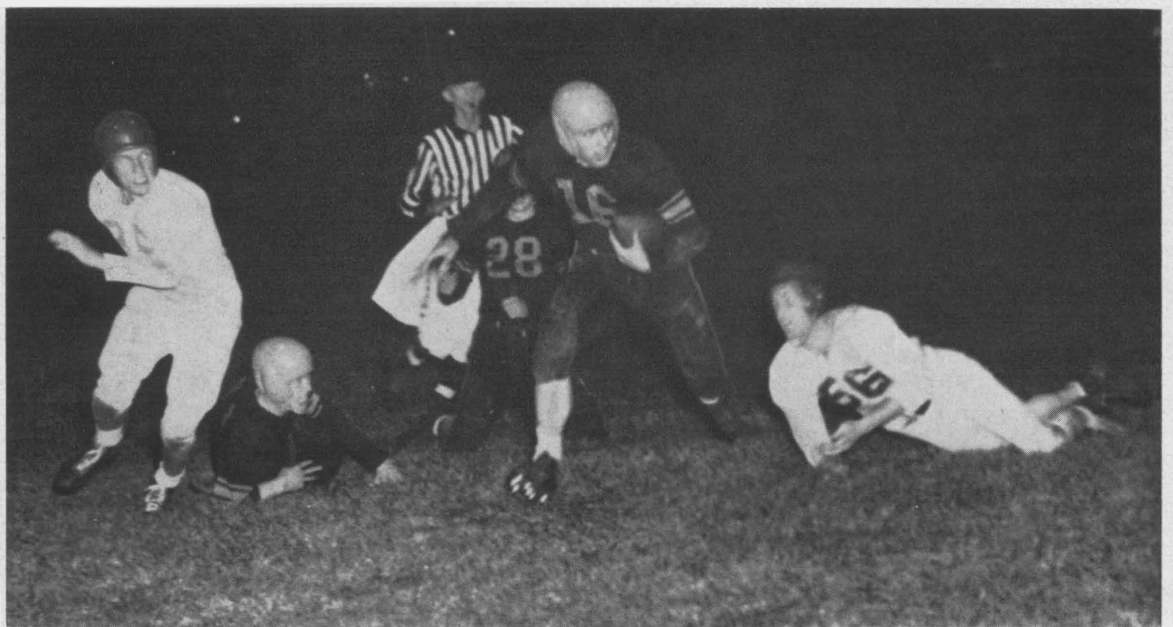

**Marvin English**, Line Coach

**Clyde Lamb**, Head Coach

**Benny Mazaro** (16) dashes 54 yards for a touchdown at Olivet. Bill Arthur attempts to block Olivet man out. Jim Dixon is seen in the background.

## BASKETBALL '50-'51

Ohio Northern opened their court season December 8th in a game with Bluffton on the home court. With only six men returning, and only two regular players back, Bill Neal and Johnny McDowell, the Polar Bears found the going rather rough.

Although bowing to Bluffton in the opener and Defiance in a hard-fought game the Bears managed to overpower Detroit Tech to win their first game of the year.

Coach English used a varied line-up usually picking his starters from John McDowell, Bill Neal, Bob Rupert, Don Kling, Charles Mayers, Bob Raebel and Bob Brookhart. Throughout the season the team played steady ball employing a tight defense and fast-break offense.

After beating Detroit Tech and routing Cedarville, the Polar Bears lost two consecutive games to Mt. Union and Findlay. However the Northern men boomed back to whip Indiana Tech before falling into a losing streak.

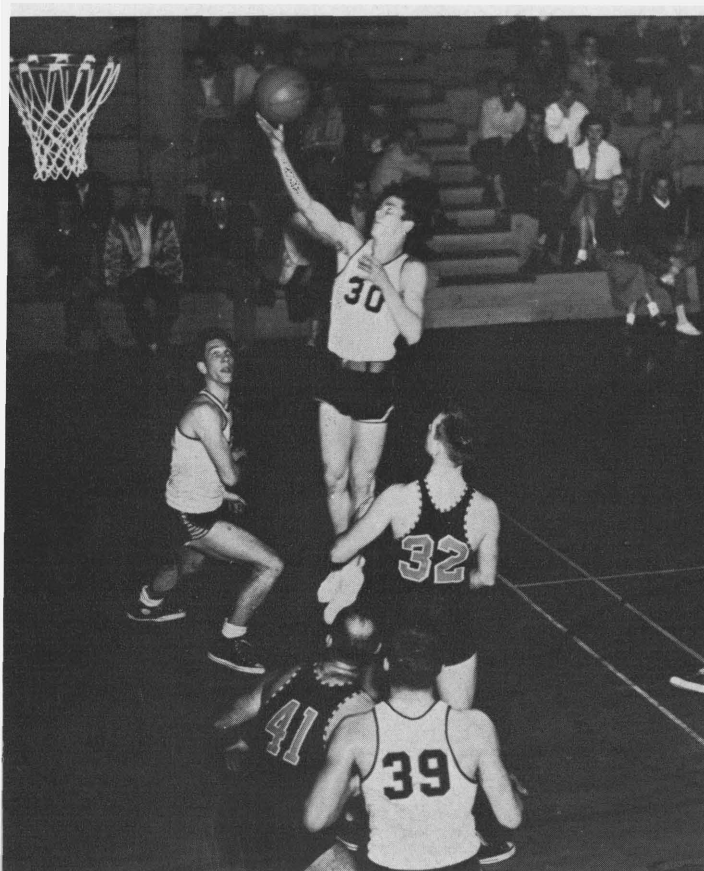

**An Eye for the basket.** Coach Marv English gathers his starting five around the hoop. Left to right: Bob Raebel, John McDowell, Don Kling, Coach English, Bob Rupert, Bill Neal.

**These basketeers** had a season of seven wins and seven losses. They played the junior varsity of other schools, local organizational teams, and also out of town teams. On the whole these varsity understudies did a very good job.

Having bad luck on the road trip they could not overcome the power of Marietta and Muskingum and lost three more straight to Ashland, Bluffton and a heart-breaker to Capital (58-57).

Then Northern roared back to beat Cedarville and Indiana Tech while trouncing Hiram. The Hiram game set two new records; it was the highest score ever registered by Northern in a ball game on its own court and the combined score of 196 points with the highest number of points ever scored in the state of Ohio in a regulation length ball game by a college team. It looks as if these records may last for a long time.

**Hurray!** President McIntosh shows his approval at the record score-smashing game with Hiram College. Reverend and Mrs. Wintringham also enjoy the fray. At the left is Dr. Lester Minion, Religion-in-Life speaker and Northern Alumnus. Score: Northern 110—Hiram 86.

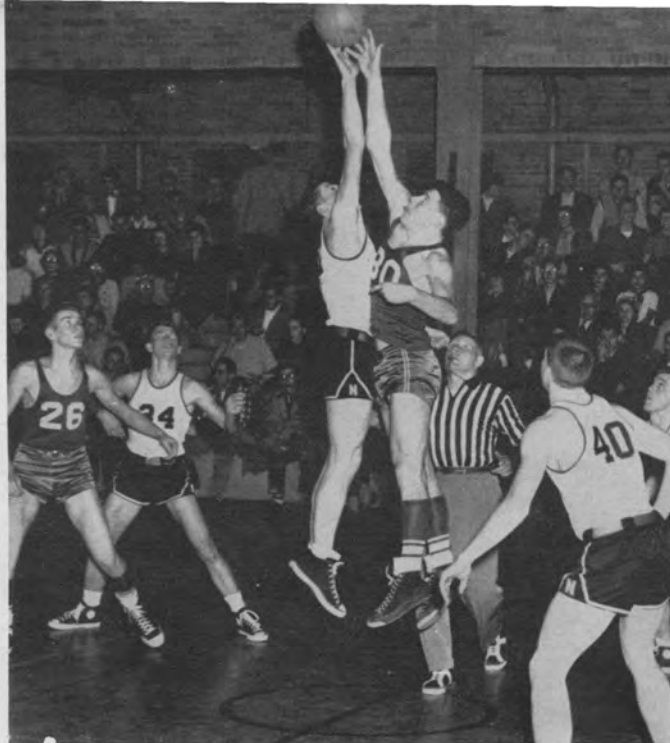

Northern then bowed out the season ignominiously with defeats to Detroit Tech, Ashland and Findlay.

Although the season record was not too impressive Northern scored 1281 points for the season while their opponents racked up 1308.

Outstanding Northern scorers were John McDowell with 246 points and Bob Rupert with 229.

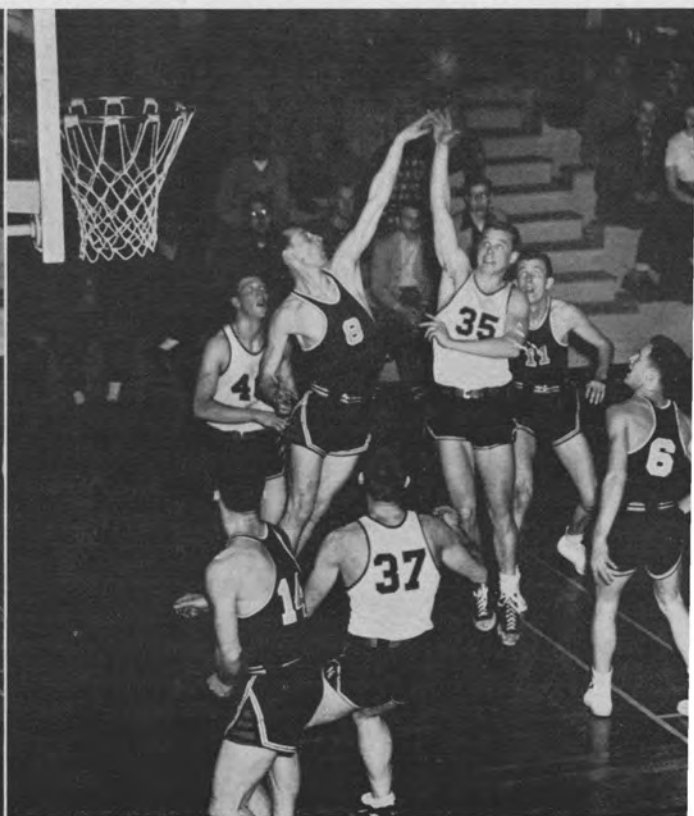

Coach English is fortunate in that only one of his starters will graduate, he being John McDowell.

**Bob Brookhart** (41) jumps center for Northern, while **Bob Rupert** (34), **Bob Raebel** (40), and **Bill Neal** await the tip in the first game of the season with Bluffton.

**Jack Decker** (1) takes a cut at the ball.

The 1951 edition of the Polar Bear diamondmen split the season 50-50 in the win-loss columns. With six returning men, but four straight losses, Coach Marv English knew that it would take runs to win a game. Inexperience and errors could have contributed chiefly to the season of the nine. Regardless of any shortcomings, Northern turned in a capable record for the year.

When Northern came into the win column it was after Pitcher Don Kling (left) hurled a no-hit game to blank Indiana Tech. From then on Northern had the say of how the rest of the season would turn out.

**The squad.** Standing—D. Black, J. Decker, R. Brookhart, K. Thomas, T. Noblet, D. Kling, T. Syler. Seated—J. Baughman, E. Baughman, P. Beall, R. Donelson, G. Acheson, J. McDowell, G. Adams, R. Rupert, C. Mayers.

# TRACK

Ohio Northern participated in only two track meets during the Spring season, but they emerged with second place in the Mid-Ohio League.

Under Coach Ken Brown the trackmen competed in a meet with Bluffton College. Bluffton captured the contest with 75 points to Northern's 47. The second meet, the Mid-Ohio Conference Meet, Bluffton piled up 67 points, Northern 47½, and Findlay 33½.

Northern took first in the 440-yard dash, 880-yard run, the mile relay, and the high jump. Second place was taken in 120-yard high hurdles, 880-yard relay, 220-low hurdles, 880-yard run, 220-yard dash, and the broad jump.

## TENNIS

Coach Warner Peterson's netmen made great strides this year. This season showed an improvement over the previous year with a three win and three loss record. At the conference tournament, at Bluffton, Northern walked away with the M.O.L. trophy. Northern received first place in the singles and doubles games. Ability and skill was a true characteristic of the squad this year.

## THE ORGANIZATIONS..

Monday through Sunday there is a meeting going on someplace around the school. There might be a rehearsal at Presser, or a pharmics meeting in Dukes. Thursday the engineers meet in Hill while the lawyers meet at various times. Trips are planned, parties are held, and even final arrangements for formal dances may be finished in these meetings.

## STUDENT COUNCIL

The Student Council was organized on April 11, 1945. Since its organization the council has made rapid progress in becoming a major campus organization.

The purpose of the council as stated in the original constitution is "to promote fellowship, scholarship and cooperation with the university faculty and administration." The council also makes every effort to reach all students on campus activities.

 Row 2—C. Polen, C. Miskin, D. Johnson, W. Carpenter, J. Howbert, R. Burget.  
 Front—R. Cory, A. Dister, H. Marker.

To accomplish this purpose the council encourages all students to submit material to the campus publication, thereby making the publication an item of interest to all students. Other activities sponsored by the council are the annual Homecoming and May Day dances with music furnished by the finest bands available. The council also sponsors other dances during the year. Through the Student Activity Fee the council encourages participation and attendance at plays, musical concerts and athletic contests.

## A. W. S.

The purpose of the Association of Women Students is to bring together female students for frequent and varied social activities.

This year the A.W.S. started its functions with a Freshman Tea which was held in Alumnae Hall during Freshman Week. The tea was sponsored by the upperclass members of the club who were already acquainted with the university. The social hour provided the new girls with an opportunity to meet and join in conversation with the established members and their advisor, Dean Alice E. Webb. The hope of the established members was that the tea would "break the ice" for the green freshmen, and help them to feel more nearly "at home" in their new environment.

Another important highlight of the A.W.S. Social Calendar for 1950-51 was the Leadership Dinner which, as the name suggests, was to honor the new officers, and to aid their morale in preparation for the big job ahead of them. The theme of the Winter Formal was "Belles and Beaux", effectively carried out with elaborate and appropriate decorations in Taft Gymnasium.

The year's activities were closed with the annual Senior Banquet, which was held in Legion Hall on May 16. The final event gave the Seniors an opportunity to relax and enjoy the efforts of the newer members.

The International Relations Club has as its objective and purpose the encouragement of study and discussion of current world events and the effect which they have upon us. Bi-monthly meetings are held with open discussion and when possible, speakers are brought to the club. This year the club at Ohio Northern made an important step when it became officially affiliated with the Carnegie Endowment for International Peace, which supervises the

clubs on a nationwide basis. Also, in April, delegates were sent to the state convention of the Ohio Conference of International Relations Clubs which was held at Hiram College.

The club had as its active faculty advisor Dr. Fred H. Bamberger.

## PRESS CLUB

The Press Club was organized on this campus in 1912 in co-operation with Alpha Phi Gamma, national honorary journalistic fraternity.

The purpose of the organization is to promote greater interest in the field of journalism in general, and more interest in school publications in particular.

Guests from the professional field were included in this year's program. In the fall quarter a banquet was held at the Terrace, and picnic was planned at Memorial Park in the spring.

Officers for the year were Virginia Davis, president; Janice Howbert, vice-president; Betty Tinsler, secretary-treasurer.

## ALPHA PHI GAMMA

The honorary co-educational fraternity, Alpha Phi Gamma, was founded at Ohio Northern on December 11, 1919. It became a national organization March 3, 1923. Its purpose is to recognize the ability of college students in journalism, and to promote the welfare of the college through journalism.

Nine new members were initiated this year. Officers for 1950-51 were Dorothy Rodgers, president; John Stuckey, vice-president; La Verne Stakely, secretary.

There is a group whose efforts are felt by every student and faculty member at Ohio Northern. That group is the staff of the "Northern Review", the campus newspaper published biweekly by and for the men and women on campus.

The "Review" contains within its pages many features and public service items. In cooperation with the Student Council this year, a special "May Day" edition was printed. Other examples of the work done by the "Review" in serving the campus community, were the fine coverage of such events as the Governor's talk at Northern, the discussion over the New Dorm, and clarification of the misunderstanding surrounding the Army Draft Classification tests.

Over 200 copies of the newspaper are sent to high schools and colleges all over the United States, thereby spreading fame of Ohio Northern University, and bringing other people into closer contact with us here.

the program for the 1951 NORTHERN annual staff. THE NORTHERN like any other yearbook is to give the reader a pictorial summary of what happened at Ohio Northern University in '50-'51. The annual begins with the first day of school and carries the story to the last week, after commencement. Not only were the highlights of the year covered, but also the everyday happenings.

**Important meeting.** Top left Editor Dick Jones and Business Manager John Stuckey get together to talk annual business. John seems to disagree.

**Time Out.** Some of the members of the staff take time out to have their pictures taken. Seated in back are Fritz Boye and Marshall Phillips. Front: Pat Whiteford, Mickey Mayer and Sally Asman.

**Smile, men.** Dick Cretcher and Dale Buxton, the photographers, learn what it is to be on the receiving end of a picture. Dick and Dale were the photographers for both THE NORTHERN and THE REVIEW.

There were 850 copies of the yearbook printed with all copper engravings to ensure good pictures. In addition there are an estimated two hundred informal and organizational pictures. This does not include individual pictures.

Along with the 55 page story of the year's happenings, there is a Sports section, Organization section and People's section. Each has complete coverage.

The photographers, the main backbone of any yearbook, were relatively new this year, but they did an exceptional job. Dick Cretcher and Dale Buxton did the majority of the photo work, while Gilbert Franklin specialized in Spring pictures. Dick is a freshman in Liberal Arts. Dale is a junior in the Engineering College.

It is the sincere hope that this annual has conveyed to you the year's events at Ohio Northern.

## MINISTERIAL ASSOCIATION

Organized in 1916, the Ministerial Association represents one of the older organizations on the campus. Its purpose is to aid in developing a spiritual and practical outlook on the Christian ministry through group discussions and contacts with men already in active service in the Church.

The group meets every two weeks on Monday at the Terrace where a delicious meal is enjoyed.

Of the fifteen student members, four are serving as pastors in nearby churches. Thus their problems and personal experiences are often the topic of discussion at their biweekly meetings. The meetings of the Ministerial Association are often highlighted by guest speakers. This year they had as speakers such men as Dr. Lester Minion of Chicago, Mr. Richard Miller, the director of student relations at Garrett Biblical Institute, and Dr. F. Bringle McIntosh, the president of the University.

## BUSINESS CLUB

Organized in 1947, The Northern Business Club endeavors to bring its members into closer contact with the active business world. Outstanding speakers and discussions serve to stimulate interest in the profession.

Highlights of this year's activities were a visit to Ford's River Rouge Plant in Detroit and a tour of Radio Station WJR. Spring quarter brought an interesting trip to Cleveland where the club members were privileged to view the operations of the Federal Reserve bank and Hqbee's Department Store.

## S. C. A.

The Student Christian Association in its present form has been a campus organization since 1944, when it was formed by combining the YMCA and the YWCA. The purpose of the group is to provide an organization which will promote and encourage spiritual growth upon the campus, and to provide opportunities for Christian service and fellowship. It holds a weekly meeting at which spiritual problems and questions are discussed.

During the past year, it has also made toys for underprivileged children, sponsored a campus sing, presented Sunday afternoon devotional programs at the local rest home, helped

to bring a special speaker to the campus for the Religion in Life Week, and sent delegates from the school to various religious conferences.

The association has brought chapel speakers to the campus for the religious chapels as well as for the combined meetings of the church fellowships. One such speaker was Dr. Robert Millikan, noted scientist on atomic research.

Parties have been held throughout the year. One such party was for the freshmen, which was held in Alumnae Hall during Frosh Week. There was a skating party and hayride which were open to the campus.

The Ohio Northern Educational Association was first organized on this campus in 1916. It was disbanded and became inactive during World War Two and was rejuvenated on December 1, 1949. The purpose of the organization is to promote interest in the teaching profession and furnish guidance to those belonging to the organization. Only students enrolled in teacher training and members of the faculty may become members.

During the present school year O.N.E.A. was under the guidance of Dr. H. H. Vannorsdall, and Mrs. K. L. Hanson.

## ENGINEER'S EXECUTIVE COUNCIL

The Engineer's Executive Council is composed of four of the officers from each of the three Engineering Societies. The primary purpose of the council is to blend together the three societies into a common working element to help promote various types of programs for all the engineers combined.

The main part of the council's work came during Engineer's week of April 2 to April 7, 1951. They took the leadership in promoting this week and arranged for the program of the

week. Engineer's week began April 4, 1951, with a speaker from each of the three fields of engineering giving a speech on each of the three following afternoons with the culmination of the week's activities by an Engineer's Ball on Saturday evening, April 7, 1951.

## NU THETA KAPPA

Nu Theta Kappa, an honorary engineering fraternity, was organized on Ohio Northern's campus in 1915, as Alpha Chapter. Nu Theta Kappa's aim is to promote scholarship among the engineering students and to provide a common ground for the various technological backgrounds gained by its members.

President. .... Richard Krotz  
 Vice-president. .... William Breda  
 Secretary-Treasurer. .... Philip Bosse  
 Advisor. .... Dean A. R. Webb

Candidates for membership in Nu Theta Kappa are required to complete at least three quarters in residence with an accumulative point average of 1.7, as well as taking an active part in the other college and university activities. During the course of this school year, there have been twenty-three initiates welcomed into Nu Theta Kappa.

Among the many activities of the fraternity instituted this year is a quarterly banquet to which prominent engineers are invited as speakers in order to enlighten the brothers on the fields of business and industry.

The O.N.U. Student Branch of the American Institution of Engineers was founded in 1912. It is the oldest branch of a national technical society on the campus and the first A.I.E.E. student branch in Ohio.

The society brings the students together to discuss problems of mutual interest in their chosen field, giving the students an insight into the practical field of electrical engineering. During the past year the society journeyed to Ottawa, Columbus, Bellefontaine, and Lima on inspection trips and to attend technical lectures.

Outstanding among its members was James Patz, who won the branch technical paper contest and represented this branch in the com-

petition at Villanova College. Robert Drake was honored by the national society for his active participation in branch activities throughout the year.

Much credit for the success of the society in recent years must be given to its counsellor, Mr. James Klingenger, and Mr. Francis Kelly, director of student activities for the Lima substation of A.I.E.E.

The student chapter of the American Society of Civil Engineers celebrated its twenty-sixth year on the campus of Ohio Northern University. This student chapter here at Northern was founded in 1925. C.E. here at Northern helps the students to gain a wide informative background by having speakers, informative films and trips, one of which was the trip this year to Dayton. At the A.S.C.E. convention at Dayton this year, Ohio Northern captured the MAN-Mile Trophy for the third time. Another aim of the Society is to acquaint the membership with the varying aspects of Civil Engineering through individual talks by the members during meetings. The combination of the varied functions of the Society helps to develop an alert and open-minded Engineer.

Periodic trips to various important industries help to expand an appreciation of the position of the engineer in our economic system. At Regional conferences students of other Engineering schools come together, technical sessions take place that aid in preparing the undergraduate to speak the Engineer's language logically and coherently.

In general, A.S.M.E. serves the important purpose of making the student more aware of the diversified application of Mechanical Engineering to the various forms of productive effort.

## LES AVOCATS

The Ohio Northern University chapter of Les Avocats was organized on the campus on September 12, 1939. Each member speaks once a quarter.

This year the group made two trips, one to the Supreme Court of Ohio at Columbus and the other to the Ohio State Penitentiary.

## TOASTMASTERS

Marshall Senate of Delta Theta Phi, a professional law fraternity, made its appearance on the campus of Ohio Northern University in 1910.

The Delta Theta Phi law fraternity as such came into existence in 1913 upon consolidation of three law fraternities: Delta Phi Delta; Alpha Kappa Phi; and Theta Lambda Phi, the last of which became Marshall Senate following the consolidation.

The avowed purpose of the fraternity is to "unite fraternally congenial students of the law, to lead them and their fellow students to high scholarship and legal learning, to surround them with an environment such that the traditions of the law and of the profession may descend upon them, and to promote justice, and to inspire respect for the noblest qualities of manhood".

Each year the calendar of Marshall Senate is dotted with certain regular events. Among these are conducting review sessions for freshman students of the law, monthly luncheons at which prominent members of the legal profession provide inspiring and practical remarks concerning legal work, informal parties for members and faculty, and participation in intramural sports.

 Row 2—P. Beach, V. Serman, J. Hart, J. Bryan, C. Seitz, V. Turf, R. Hall, J. Ingram.  
 Front—R. Shaw, W. Wiedemann, G. Mazaris, R. Cory, R. Tate, H. Toban, R. Nolan.

The Omicron chapter of Sigma Delta Kappa, National Law Fraternity was founded on Ohio Northern's campus in 1923. It is the out growth of the Ohio Northern Law Club.

Chancellor. .... Robert Shaw  
 Vice-Chancellor ..... Paul Beach  
 Secretary. .... William Wiedemann  
 Treasurer. ... John Finney and John Evans

The purpose of Sigma Delta Kappa is to unite students of the Law school so that the traditions of the Law and of the legal profession may be theirs. It is the aim of the fraternity to promote higher legal learning and understanding among the brethren which in turn will better enable them to take their place in the future.

Because of the fraternity's nature, social events are held to a minimum. However, once a month the fraternity invites a lawyer, judge, educator, or business man to speak on some subject of interest.

## A. Ph. A.

The Ohio Northern College of Pharmacy Student Branch of the American Pharmaceutical Association (A. Ph. A.) was formed in 1948 on the campus of Ohio Northern University. Through the efforts of Dean Raabe and the first president-elect, Harold Winkler, a charter was obtained from the national headquarters in Washington. Since then the organization has built itself into a smooth working group.

Front—R. K'Meyer, J. Smittle, A. Dudek, D. Novak, C. Miskin, E. Derr, E. Stamets, M. Haskins, M. Current, T. Smailes, J. Carter, Dean Raabe.

The purpose of the Student Branch of A. Ph. A. is to encourage in the broadest and most liberal manner the advancement of pharmacy in all its branches and its application and aiding in promoting the public health and welfare.

Meetings of this group are held twice a month with a varied program. It is attempted to bring speakers or show films which will be beneficial to the students either in their studies or which will aid them after graduation. Some of the speakers heard this past year were Mr. M. N. Ford, Secretary of the Ohio State Board of Pharmacy; Dr. Z. H. Stamets, who gave a talk on Cancer; and Mr. Robert Hardy, representative of the Eli Lilly Drug Manufacturing Company.

## CHORUS-CHOIR

One of the outstanding organizations on campus is the chorus-choir under the direction of Professor Karl A. Roider. The group is composed of students from all colleges who desire to participate in the many activities of music.

President. . . . . Bill Rhoades  
 Treasurer. . . . . Henry Dodson  
 Librarian. . . . . Virginia Deal

Rear—R. Lillie, J. Ewing, L. Wittenberg, M. Jenkins, B. Rhoades, L. Darnell, J. Howbert, D. Moon, L. Redick.

 Front—Prof. Roider (director), H. Dodson, J. Lethenstrom, B. Huffman, B. Wolfley, D. Clarke, C. Kiehl, H. Hoxter, C. Tucker, M. Beck.

The Chorus-Choir has added to campus life through presentation of The Messiah, the Choral Cabaret, a pre-Christmas dance, and the Crucifixion, presented at the local church.

The annual tour through the east proved successful with stops in New Philadelphia, Ohio; Bradford, Pa.; Rochester, Burnt Hills, Schenectady, Hudson Falls, and Poughkeepsie, New York. This year has been especially eventful with concerts in many of the surrounding communities and a home concert on May ninth. The choir was happy to receive an invitation from the district superintendent of the Methodist Church to sing at Lakeside on June sixth.

Front—J. Blanchong, B. Rhoades, M. Hatchett, J. Malcolm, E. Krietler.

This year, Ohio Northern University's marching band in their new hats performed at all of Northern's home football games. The pageantry and formations of the marching band added much color to the half-time festivities.

President. .... Max Beck  
Secretary-Treasurer. .... Jim Ewing  
Librarian. .... Bill Rhoades

During the basketball season, a pep band played for all of the home basketball games, adding considerably to school spirit and morale.

The spring concert of the concert band presented in Lehr Auditorium on April 17, was well attended by townspeople and students.

The marching band led the annual May Day parade once again this year.

The enrollment of the band increased somewhat over last year and we are looking forward with anxious anticipation for a much larger band next year.

## KAPPA KAPPA PSI

Sigma Chapter of Kappa Kappa Psi, national honorary fraternity for college bandmen, was founded here at Northern in 1927. It has been an active organization since then, except for the period from 1942-48 when it became temporarily inactive.

President. .... James Ewing  
 Vice-president. .... David Johnson  
 Secretary. .... John Davis  
 Treasurer. .... David Grimes

Rear—D. Markle, L. McPeck, Jr., B. Rhoades, J. McCracken, J. Malcolm.  
 Row 3—D. Johnson, R. Shoemaker, D. Grimes.  
 Row 2—J. Davis, H. Varner, M. Beck.  
 Front—Prof. Roeder, Prof. Jones.

The purposes of Kappa Kappa Psi are: to promote the existence and welfare of the university band, to honor outstanding bandmen through the privilege of membership, to stimulate campus leadership through the medium of the band, and to cooperate with other musical organizations on the campus in any manner consistent with the purposes of the university.

Although a very small group, the members have been fairly active. Their activities included: screening all freshmen to obtain new band members, forming the band which played for all of the home basketball games, and giving their fullest cooperation to the music department in its various activities.

Rear—Prof. Bale, C. Polen, L. Wittenberg, L. Forbes, R. Brun, M. Buckingham, J. Forrester.  
Front—H. Breck, S. Hindall, A. Rubenstein, S. Levin, D. Johnson, R. Frick.

## NORTHERN PLAYERS

The Northern Players is the dramatic organization opened to all those students interested in the theater and its correlated activities. It is composed of freshman apprentice members and active memberships. Active membership is received by participating or helping in three productions. The main activities during year were centered around the six productions, which were:

**Belvedere**, the Homecoming Play taken from the movie "Sitting Pretty".

**House of Rimmon**, annual religious play.  
**Abbie's Irish Rose**, classic comedy.

**Uncle Tom's Cabin**, which was taken on a tour to celebrate the 100th anniversary of its writing.

**Ghost Train**, mystery comedy, and the current Broadway success, **Darkness at Noon**.

The Student Affiliate of the American Chemical Society was reorganized on Northern's campus in the fall of 1947 and received its charter in December of 1947. The purpose of the club is to bring students interested in chemistry closer together and to give them an opportunity to become better acquainted with the American Chemical Society and the science of chemistry. The meetings of the club are held

every second and fourth Wednesday evening. At these meetings the members have an opportunity to hear guest speakers well qualified to talk on the different branches of chemistry. Several educational movies were shown throughout the year, and the members themselves took active part in several discussion programs. The high points of the club's activities were the annual banquet and the spring picnic. The advisors are Dr. Howard H. Hoekje and Prof. Robert L. Bradley.

President. ....Karl A. Steiger  
Vice-president. ....Roy P. Stype

 Front—E. Baughman, R. Conrad, G. Adams.

The "N" Men's organization is designed for those on campus who have earned a varsity N in football, tennis, basketball, baseball, track, or golf.

During the past year, the "N" Men sold refreshments at the football and basketball games. Programs were arranged, printed, and sold at the football games. The Findlay versus Ohio Northern football game was designated as "Dad's Day" and the players' fathers were the guests of honor on that day.

Five "N" Men entered the service of Uncle Sam during the year. The five were: Jim Starr, Joe Stokes, Martin Lewis, Tom Kelton, and Bob Rasul.

Each year the graduating seniors have their choice of an orange and black jacket or blanket which are then purchased for them by the "N" Men. This year the following men received these awards: Ralph Johns, Gus Evans, Bill Miller, Arlin Thorla, Joe Pauken, Bob Irvin, Al Carrino, Paul Kolbe, George Palich, Tom Kelton, Fred Pedrossa, Ed Arrington, and Bill Rentz.

A Fraternity Serenade

## LIVING GROUPS e e • • e

The fraternities and sororities play an important part in campus life socially as well as in the line of studies. These groups aid their members in developing a well rounded college life.

## PAN HELLENIC COUNCIL

To serve as a unifying body between sororities on campus is the aim of the Pan Hellenic Council. The group is composed of two members from each sorority and is sponsored by Mrs. Alexander R. Webb and Mrs. F. Bringle McIntosh.

The annual Tri-Sorority formal was held May fourth at the Findlay Elk's under the sponsorship of this group. The homecoming trophies for house decorations, Theta Phi Delta; for the Pushmobile race, Tau Kappa Kappa; and for the scholarship trophy, Tau Kappa Kappa, were awarded by the council.

Rear—L. Darnell, S. Bremyer.

Front—T. Harris, C. Ramsey, J. McColloch.

## INTERFRATERNITY COUNCIL

Instituted to form a more perfect brotherhood and closer bond of fellowship among the fraternal organizations, the interfraternity Council, consisting of the eight presidents of the fraternities, accomplished the above objectives.

The Interfraternity Council, commonly known as the I.F.C., on the campus, elected the following officers for 1950-51: Joseph Vos, President; Joseph Neidhart, Vice-president; John Padden, Secretary; and James Harvey, Treasurer. Dean Louis E. Otte served as advisor to the council.

The Interfraternity Council holds regular weekly meetings at the fraternity houses where problems and programs concerning Greek Week, Rushing, Pledging, Interfraternity sports, homecoming and May Day activities, social and assembly programs are discussed. After the meetings the Council remains at the fraternity house for dinner.

Ray Anthony and his orchestra provided music for the Interfraternity Ball, which highlighted the social events of the Council.

## PHI CHI

Graduation was the final event of a busy flurry of activities marking the end of a very successful year for the Phi Chi Sorority. The year began in a welter of paint buckets and brushes, old newspapers and wobbly step-ladders, but the house was soon sharpened up in time for the annual open house.

President. . . . . Sue Bremyer  
 Vice-president. . . . . Carol Ramsey  
 Secretary. . . . . Lois Stedcke  
 Treasurer. . . . . Jean Fallor

We came through Homecoming with a moderate flourish. The Phi Chi's came out second in both the house decorations and the push-mobile race. Later, in the competition for the annual scholarship trophy among the sororities we also ran a close second.

Our big house dance of the year was the annual formal, held at the sorority house. The theme chosen was "Stars in our Crown." Other social events included house dances, Christmas caroling, and the new and most popular idea of a coffee hour for the fraternities.

Our number was brought up to a total of thirty-three with the addition of fourteen new sisters. Our housemother, Mrs. Maude MacElroy, or Mother Mac, as she is known to all the girls, was taken in as an honorary member.

## TAU KAPPA KAPPA

Exactly fifty-one years ago, the sisters of Tau Kappa Kappa marked the end of their first year as a sorority on the campus of Ohio Northern University. This year, like that first one, has been a successful and unforgettable year.

President. .... Hazel Hoxter  
Vice-president. .... Loretta Darnell  
Secretary. .... Charlotte Miskin  
Treasurer. .... Lois Wiseman

Our annual "Hobo Hop" was attended by "bums" far and near. Hobo King and his Queen were crowned according to tradition. "Rendezvous in the Park" was the theme for our pledge dance held winter quarter. Many unusually dressed buccaneers and their women made our "Pirates' Dance" a huge success. We must not forget the big event of the year, the Spring formal, the theme for which was "Mardi Gras."

The T. K.'s do take time out to study, for the scholastic list has been headed by the T. K.'s for eleven consecutive quarters. In sports, we won the girl's pushmobile race at Homecoming.

The membership of the sorority was increased to 23 after winter pledging followed the successful rush party, "The Grecian Room."

## THETA PHI DELTA

Theta Phi Delta was organized in 1909. During these past years the sisterhood has acquired much popularity in intramurals and social activities.

President. .... Jacqueline McColloch  
 Vice-president. .... Theodora Harris  
 Secretary. .... Marilyn Haskins  
 Treasurer. .... Dottie Lilak

This year the Theta's took much pride in winning the Homecoming trophy for the fourth consecutive year. The theme "Our Bet is Northern", was carried out by the construction of huge gambling devices, which were painted in elegant colors.

The annual rush party for freshman girls was held at the chapter house, which was decorated as a gambling casino in reference to the theme, "Theta Casino." The winter formal was held at the city hall, and a terrific time was had by all who attended.

Congratulations are extended to Barbara Jones and Jackie Gobin, whose names appear in "Who's Who."

## ALPHA EPSILON PI

Kappa Chapter was founded at Ohio Northern in 1923. Through the years the purpose has been to promote and teach its members the value of fraternalism, scholarship, and a spirit of cooperation and honesty towards their fellow students and mankind in general.

President. .... Joe Vos  
Vice President. .... Al Levin  
Secretary.. .... Al Pashin  
Treasurer. .... Burt Goldenburg

During the past year Kappa has continually shown a marked improvement in all scholastic, athletic, and social functions. The improvements in the chapter house have been numerous also with the complete renovation of the North Apartment living room heading the list.

The improvement in the inter-fraternity sports competition this year was especially noticeable. All of the teams gave good showings and the golf and ping-pong teams emerged with trophies.

The outstanding social functions of the year were the Halloween dance, for which there was standing room only, and the annual winter formal at the Hotel Allerton in Cleveland. Both were top-notch successes.

## ALPHA SIGMA PHI

Great achievements in brotherhood, intramurals, and extra-curricular activities have made our chapter a great success this past year. Twenty-two brothers have joined the Mystic Circle of Alpha Sigma Phi. In intramurals we took trophies in volleyball, free throws, basketball, football (second place), and track. The following are seniors who have graduated this year: William Arthur, Ed Fahey, Ed Kostecka, Ted Minster, Carl Mowery, George Palich, John Pochinsky, Ed Taylor, and Jerry Williams.

President. .... Gerald Williams  
 Vice-president. .... Ted Minster  
 Secretary. .... Carl Mowery  
 Treasurer. .... Edward Taylor

The Alpha Sigs remodeled several rooms in the house during spring quarter. The chapter room, living room, and recreation room were painted. A small stone wall was placed around the front lawn. New shrubs, bushes, and a general cleaning of the yard were completed this spring.

This year, we held our third annual "Apache Dance" at the house. The girls were dressed in low shoulder blouses and split skirts, while the boys were dressed as members of the French underground. Our spring formal was held at the Kenton Elks Hall on May 26, 1951. The theme of the formal was based on the fraternity flower, The Talisman Rose.

## DELTA SIGMA PHI

The Delta Sigma Phi Fraternity, a college fraternity known far and wide, was founded on the tenth day of December, 1899. The Alpha Eta chapter of Delta Sigma Phi was established February 14, 1920 at Ohio Northern. The fraternity was founded for serious young college men, for a fellowship and brotherhood, with the best practical-working ideal as possible, not with prejudices and artificial standards of membership, but with a clean, pure and honorable chapter home life.

Converting old style study rooms into gleaming, superb, and restful surroundings, was the last project completed by the brothers and the pledges of the Delta Sigs. This will help to make the "big white house on the corner" one of the better frats on campus.

Memorable and outstanding on our social calendar were the Sailor's Ball, Bowery Ball, and the Spring Formal. The Spring Formal was held at the Marion Country Club May 19th and will be remembered quite a while by all those who attended.

This year nine brothers graduated and fourteen new brothers were initiated. This leaves a balance of twenty-two brothers for the coming year of '51-'52.

The Gamma Delta Chapter of Kappa Psi Pharmaceutical Fraternity was founded at Ohio Northern March 20, 1920. It has been continuously active on this campus since that date, surviving both depression and war. To encourage good scholarship, to promote fellowship and mutual esteem, and to develop a more unified and honorable pharmacy profession is the purpose of the fraternity.

Kappa Psi participated in many social affairs this year. They gave several house dances in addition to the annual Spring Formal which was held on May 19. In the sports field Kappa Psi won their share of interfraternity trophies. Among these were football, ping pong, homecoming decorations, pushmobile race, and tennis.

## PHI MU DELTA

President. .... William Wills  
 Vice-president. .... Richard Jones  
 Secretary. .... John McGahan  
 Treasurer. .... Donald Young

The Mu Beta chapter of Phi Mu Delta was founded on Ohio Northern's campus April 10, 1926.

During the past academic year Mu Beta chapter held many social functions. Outstanding among them were the Monte Carlo Dance, the Nite Club Dance, and several open house dances. The big social event of the year, our Spring Formal, was well attended and proved to be a huge success through excellent planning.

A large number of men were pledged to Phi Mu Delta during the past year to replace the graduating brothers. It is hoped that these men will continue to achieve high standards, scholastically and socially, which have been ours in the past years.

## SIGMA PHI EPSILON

On February twenty-first, 1905, the Ohio Alpha chapter of Sigma Phi Epsilon was born, when a charter from the national organization was granted to the Ohio Northern local fraternity Theta Nu Epsilon. At that time, Sig Ep's fifteenth chapter resided at what is now The Terrace. It remained there until 1915 when the brothers completed construction on the present chapter house. Since then the fraternity has expanded to its present one hundred and five chapters and thirty-seven thousand members.

Probably the year's most outstanding event was the installation of Mrs. Florence McEwen

as our chapter's first housemother. Next in rank of importance would probably be scholastic honors for the academic year 1949-1950, Sig Ep maintaining the top fraternity point average for all three quarters. Some of the other activities were; winter formal held at the house, Daisy Mae Dance, and the Spring formal was held at Bellefontaine.

## SIGMA PI

The Sigma Pi Fraternity was founded in Vincennes, Indiana, in 1897, with the Zeta Chapter at Ohio Northern being founded in 1909. Since that time it has been the aim of the fraternity to advance truth and justice, to promote scholarship, to encourage chivalry, to diffuse culture, and to develop character, in the service of God and man.

Our traditional "Apache" and "Prison" dances were typical of the many social events held this year. Our spring formal held in May was a huge success and needless to say it was enjoyed by all those who attended.

Only the many contributions made by the graduating brothers have made the fraternity as great as it is. We know the future brothers will strive with as great a determination to raise the fraternity to greater heights.

## THETA KAPPA PHI

The highlight of the Fall quarter was the Silver Jubilee Celebration of the founding of Zeta Chapter of Theta Kappa Phi here twenty-five years ago on April 9, 1925, held in unison with the annual Homecoming. Alumni turned out in force and a very successful week end reached its finale at a banquet held in Lima.

President. . . . . Eugene D'Innocente  
Vice-president. . . . . Bill Breda  
Secretary. . . . . Jack Finn  
Treasurer. . . . . Bill Fox

The house improvements reached a climax as every room in the house was rejuvenated with the aid of paint and brushes and the living room was completely refurnished. This was made possible by the work of the active chapter and pledges.

In Spring a Theta Kap's fancy really turns to lighter things. With social activities foremost in the mind of a Theta Kap, he forgot work and studies and the whole fraternity settled down to college life. The annual Turtle Dance and Spring Formal spotlighted the social calendar. The chapter found time to trek to Kent to participate in a Tri-Chapter Meet with its brothers from Kent and Ohio State.

## THE PEOPLE . . . . .

Ohio Northern, like any other college, has its people. There is a president, a board of trustees, an administration, deans, faculty, and the students. Some of the people teach while others learn. People gather here from far and near to spend a few years of their lives to give and to learn.

**President F. Bringle McIntosh**

## **OUR PRESIDENT.....**

Dr. F. Bringle McIntosh was installed as sixth president of Ohio Northern University on Sunday, October ninth, 1949 after having assumed his duties the previous June.

In the year and a half that Dr. McIntosh has headed the university much progress has been made in getting Northern accredited. He has directed the work to remodel the buildings and make repairs where needed. A \$500,000 endowment drive was begun among the churches

of Northwestern Ohio for our betterment.

Dr. McIntosh has the background which makes him an intelligent and capable president. He received his B.A. from DePauw University, S.T.B. from Boston University, and an honorary D.D. from DePauw University.

Before being elected to Ohio Northern as president, Dr. McIntosh was superintendent of the Toledo District of the Methodist Church and trustee of Ohio Wesleyan University.

## BOARD OF TRUSTEES

There is a group of people connected with Northern whom the students do not meet every day, yet this group is often referred to in bull sessions or discussions on and off campus. Officially this group is called the board of trustees. They plan what policy the university will follow, the studies which will be given, plus a myriad of other things that go with operating an educational institution.

Standing—Dr. Warren Wiant, Dr. H. W. Peterson, Dr. D. F. Wood, J. V. Melick, C. B. Hoffman, A. F. Piani, J. R. Long, Dr. J. B. Davis, J. J. Pilliod, B. P. Conner, Dr. J. O. Young, Rev. S. L. Whiteman.  
Seated—Mrs. F. B. Willis, Dr. F. B. McIntosh, Dr. L. L. Roush, Dr. J. H. Clark, Hon. E. S. Mathias, Warner Peterson, Mrs. J. P. Taggart.

They meet twice a year; once in October and once in May. This accounts for their infrequent presence here.

Chairman. .... Dr. John H. Clark  
Vice Chairman.. .Honorable E. S. Mathias  
Secretary.. .... Dr. Lester L. Roush

## THE DEANS . . . . .

Every student at Northern is well acquainted with the dean of his or her college and knows them by name. Not only do these men carry on their duties as head of their respective colleges, but they teach also. On any morning a trip around campus would show what the deans are doing. In the law building Dean Pettit is lecturing on cases with the law students. At the same time Dean Webb might be telling the Civil Engineers how to construct

a bridge or the amount of stress in the bridge. Dean Smith, at that time, could be lecturing a salts class or working with the Organic Chemistry class. Dean Huber is far from idle during these hours. He might be going over the muscular system of a human in Comparative Anatomy class.

The deans are an indispensable part of the university.

## HOUSEMOTHERS

The housemothers at the university dormitories are well known by all of the people who frequent them, especially the male students. These women act as counselors, guardians, confidants, and nurses. There are troubled times for them and happy just the same. They do their job very well and deserve the respect which is shown them.

**Mrs. Margaret Deal**, former Housemother at the Girls' Dormitory. Mrs. Deal was also a former housemother at Theta Phi Delta Sorority.

**Mrs. Phoebe Lamont**, Housemother at the Terrace Dormitory. This is Mrs. Lamont's second year at the freshman girls' dormitory.

**Mrs. Florence MacEwen**, Housemother at Sigma Phi Epsilon Fraternity. Mother "Mac", as she is known to everyone, is the first housemother of a fraternity on campus.

**Mrs. Juanita Neely**, Housemother at the Girls' Dormitory. This is Mrs. Neely's first time as housemother. She replaced Mrs. Deal.

Left to right: Tom Dowd, Barbara Jones, Hazel Hoxter, Ellen Telfer, Joe Baker.

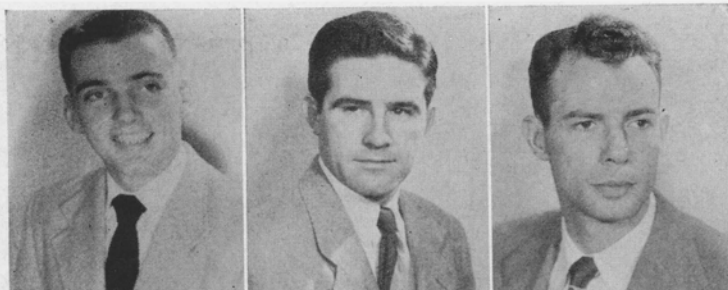

## THE SENIORS . . . . .

The Senior Class Officers were elected in a much less exciting atmosphere than those of the underclasses. There were two secretaries elected under strange circumstances. Both Hazel Hoxter and Barbara Jones received the same number of votes and so were made co-secretaries. This, being their last year in college, the Seniors sponsored many campus dances and raised money to put towards an imitation ceiling for the gymnasium.

President. . . . . Thomas Dowd  
 Vice-president. . . . . Joseph Baker  
 Secretary. . . . . Hazel Hoxter, Barbara Jones  
 Treasurer. . . . . Mary Ellen Telfer

Taking a look into the background of these class leaders, they were active in school organizations and activities. Thomas Dowd was a member of the Junior Bar and Delta Theta Phi. Joe Baker also belonged to the Junior Bar and Delta Theta Phi and also Theta Alpha Phi. Hazel Hoxter was busy in the Business Club, Chorus-Choir, Press Club, Ohio Northern Educational Association, and president of Tau Kappa Kappa Sorority. Barbara Jones devoted much time as Theta Phi Delta president, Ohio Northern Educational Association and editor of the 1950 Northern. Mary Ellen Telfer could be found in the evenings at Theta Phi Delta Sorority, Business Club, A.W.S. or at W.A.A.

## THE UNDERCLASSES

Early in the fall the Student Council called a meeting of the various classes for the purpose of electing class officers. At these meetings nominations were made for the offices. After a complete slate had been selected the meetings were adjourned until election time.

For the next few weeks vigorous campaigns ensued with the candidates distributing packs of matches. Posters were put up and even coalitions were formed among the nominees of a class. Students were solicited for their votes in many ways.

The Student Council then called another class meeting and elections were held. Listed below are the officers and what class they represent.

**Intellectual Group.** The Junior Class Officers are shown in a conference in the library by the cameraman. Left to right are Colleen Polen, Harold Marker, and David Johnson. Jacqueline Lamb Gobin is missing from the picture.

## CUSTODIANS . . . . .

There are two persons on campus who are very important. Most of the time they do not seem to be around the university, but if something is urgently needed, they are right on the job. Their work never ends. They are liable to be called out at any moment. Bert and Frank, as they are known to the students, are always around someplace working.

These two men are the fixers, menders, builders and what have you on campus. They also have charge of the student part-time help.

Little publicity is given to these men who work behind the scenes, but the student body would like to give their thanks to these fine men.

# To win...you have to be better!

Isn't it just that simple? Isn't that what makes successful teams . . . successful individuals . . . successful businesses?

*And isn't that why American business, under our free competitive system, constantly gives you better and better products?*

Take gasoline, for instance. If we make a good gasoline, we'll get our share of customers swinging into our stations. For a while.

*But if our competitor across the street starts selling a better gasoline . . . more and more of our customers are going to start turning in there.*

To get this business back, we have to find a way to produce a still better gasoline. As soon as we *do*, that puts the challenge right up to our competitor again.

*That's competition. And that's what keeps America moving forward.*

No one has ever thought of another way that works so well . . . for the benefit of all.
